1953

'53 Highlander

Published by the YEARBOOK JOURNALISM STUDENTS of

HIGHLAND PARK HIGH SCHOOL

Topeka, Kansas

Within these pages is contained the account of the days we spent at Highland Park High School. Only when we look back to these full days of living, working, and playing together will we realize their true value. In order to help remember these events this Highlander of 1953 is given.

A Gridiron Report

Scots lose only to State Champs

Joe Held leaps to intercept a
pass from the arms of Leavenworth's John Lozenski

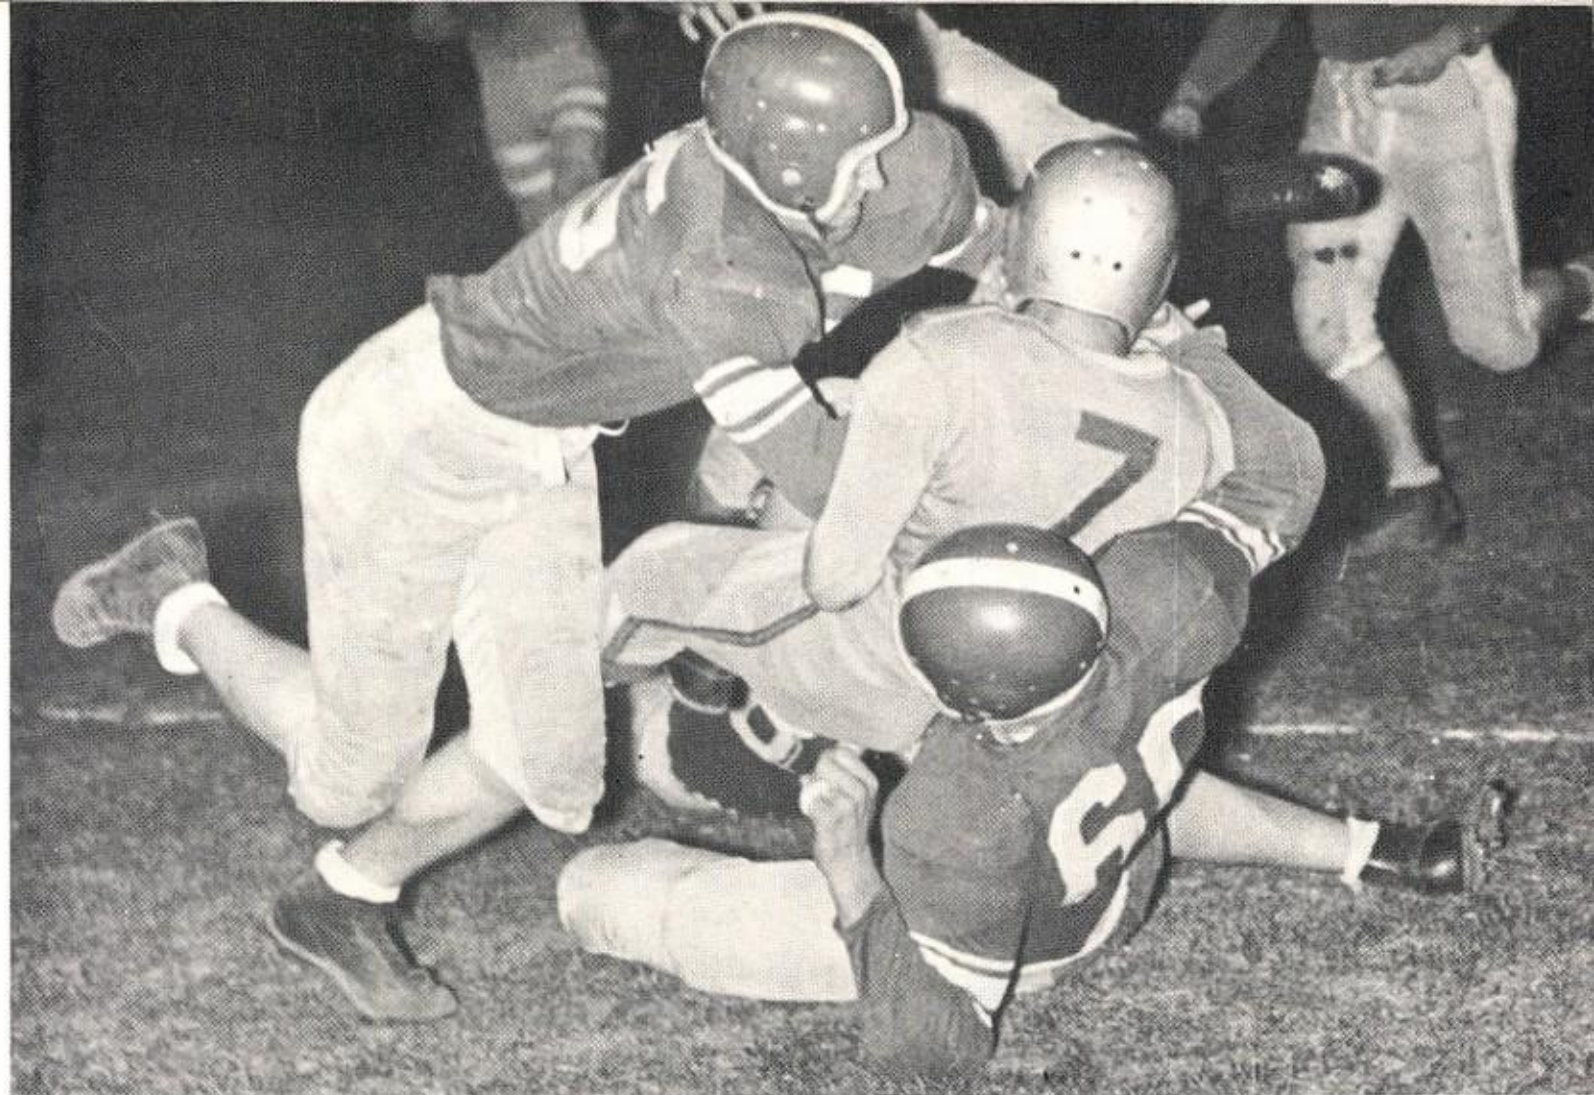

FOOTBALL 1952

After eight straight wins in 1951 the SCOTTIES faced the 1952 schedule, the toughest of all time, with cautious optimism. Coach Barney Hays had eleven returning lettermen as the Scotties entered their first year in class AA competition.

Highland opening the season at home with Ottawa, formed a fine mixture of running and passing to breeze impressively past an over-powered Cyclone eleven 36-13, to gain her ninth straight victory over a two-year span.

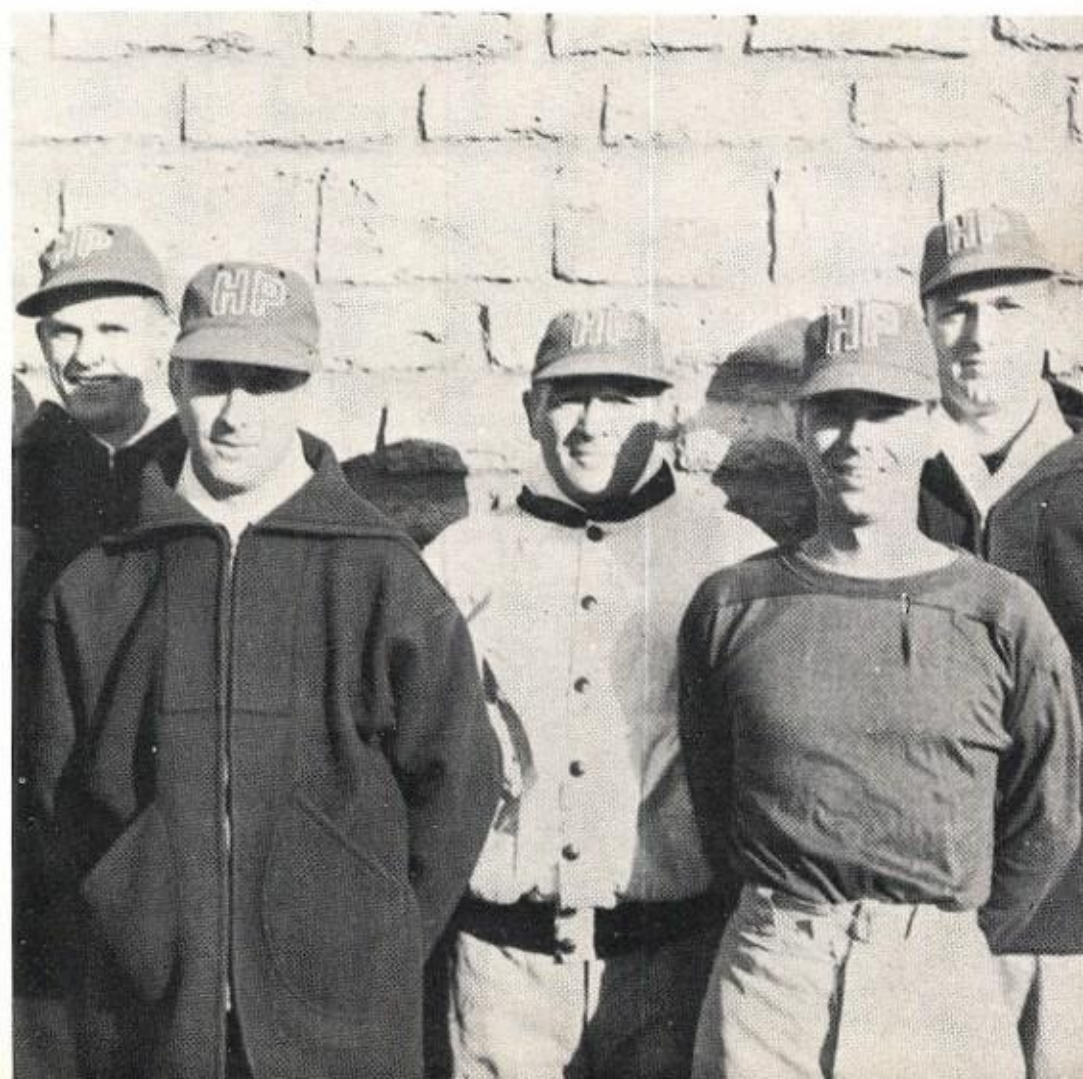

Highland Park wasted no time in lowering the boom on the Cyclones as fleet halfback Jim Gates ripped 66 yards behind sweeping blocks to score on the first play from scrimmage, starting the new campaign in fine style. The Scots scored in every quarter and rolled up 370 yards rushing while gaining the overwhelming victory.

Jim Gates is swarmed by Leavenworth players after intercepting a pass.

The odds were all even as the Haysmen traveled to Atchison to face another N. E. K. foe. Highland Park found the Redmen from Atchison an unwilling victim while aiming for her tenth straight victory. The Scots trailing for three periods had to come from behind and score two quick touchdowns in the last quarter to pull the game out of the fire. Once again it was little Jim Gates who was the big gun in the attack as he squirmed and swerved his way 92 yards for the winning touchdown with only five minutes to play. The Scottie forward wall held the rugged Redmen the rest of the way.

The Scotties converted several Wamego miscues into touchdowns as they romped past the Red Raiders 41-6 on the Scottie field. "Jarring" Joe Held dashed 74 yards from scrimmage, scored two touchdowns and passed for another to lead the way. A fumble, two pass interceptions, two partially blocked kicks and a short punt set the Highlanders up for their rushes across the Wamego goal line. After three impressive wins the Scots reached number five in the *Daily Capital* top ten.

Scottish-Trojan contest top thriller

The Scots had trouble for three quarters but tallied two touchdowns in the final stanza to knock the Haskell Braves from the unbeaten ranks 20-6. Brightest individual star for Highland was Tommy Davidson who masterfully engineered the fourth period tallies and repeatedly stabbed for valuable yardage on the option play. As a whole Davidson gained 111 yards. The Scottie defense was also tops, holding the Indians to less than 100 yards rushing.

The Hayden Wildcats were next on the Scottie list, a crowd of over 4,000 fans in the Highland Stadium saw the Parkers blast Hayden 26-0. After a scoreless first quarter Joe Held rambled around end 27 yards to break the ice. Held scored three or four

touchdowns although it was little Jim Gates who gained 106 yards from scrimmage behind a hard working line. The Scottie defense was once again at its best; the Wildcats didn't advance beyond the Highland 40 yard line until a final thrust ended on the 23 as the gun sounded. Hayden netted 104 yards rushing.

Highland in quest of its 14th straight victory had no test whatsoever from the over-powered Seaman Vikings who went down in defeat 33-0. Galloping Joe Held scored three of five touchdowns, one 67 yards right through the Viking line. Jim Gates had a field day, too, scoring the other two counters and adding two extra points. The successful Scottie de-

fense held Seaman to 63 yards rushing for another brilliant performance.

Playing before a homecoming crowd, the Scotties looked ragged in spots but had little trouble dumping the Leavenworth Pioneers 21-0. Flash Quarterback Tom Davidson and Joe Held led the Scot attack, each scoring a touchdown. Davidson passed to end Ed Delk for the other counter. Davidson and Held had 111 and 98 yards rushing respectively. The hard working Scottie defense held Leavenworth to a mere 64 yards from rushing. Winnie Burgard and Jim Gates were crowned Queen and King at the half time ceremony.

That ever waiting game with the cross-town Topeka Trojans was next on the Scottie schedule. Experts had Highland down 1-2 touchdowns but the Scots played hard and Topeka had to come from behind with three minutes left to gain a 6-6 tie. A final Scottie bid ended on the Trojan three yard line as the gun sounded. This was the first of many Highland Park-Topeka High games. It was fairly and cleanly fought in the presence of some 6,000 customers at Moore Bowl. The game left the Highland Park Scotties and the Topeka Trojans just where they started—even Stephen.

Scotties enter tough NEKL in 1953

Each team had two excellent scoring opportunities, each got over that last stripe one. Each saw a would-be winning seventh point, attempted from placement, sail wide of the uprising and a draw was the verdict.

The Highlanders were first to score when Big Joe Held, Scot halfback, took a wide pitchout to circle his own right end 6 yards for the T. D., with 15 seconds left in the half.

The Trojans rang the bell when Jim Humbert knifed off tackle 6 yards in the final period.

The time to go was 3:20. Gates and Maze combined for 35 yards. Three more running plays and Davidson fired to end Ed Delk for 20 yards to the Trojan two. Neither team had a time out left as the Scots hustled into play. Davidson and Gates tried two line plays but the Trojan forward wall held as the gun sounded.

played three tough games in just ten days and went down to defeat for the first time in two years at the hands of the mythical State Champions 31-14.

The game was the Scots' most severe test of spirit and they came through shining. Before they got through they had scored more points against Lawrence than any other team, and made as many touchdowns against the Lions as eight other teams.

Any hopes Highland may have had diminished quickly in the third quarter. Held to a 13-7 half-time Margin the Lions took advantage of a blocked kick and an intercepted pass to suddenly run their margin to 26-7. The Scots played on even terms with the State Champions the rest of the way. That fatal third quarter met disaster for Coach Hays' eleven.

After the game, Lawrence coach Alan Woolard was expansive in his praise for the Scots. "Highland Park is the best team we played all year. Their team spirit is remarkable. They played hard and are well coached." Woolard also said this year's Lawrence team was one of the best high school teams he had ever seen.

In the final *Daily Capital* poll, Highland Park was rated number six.

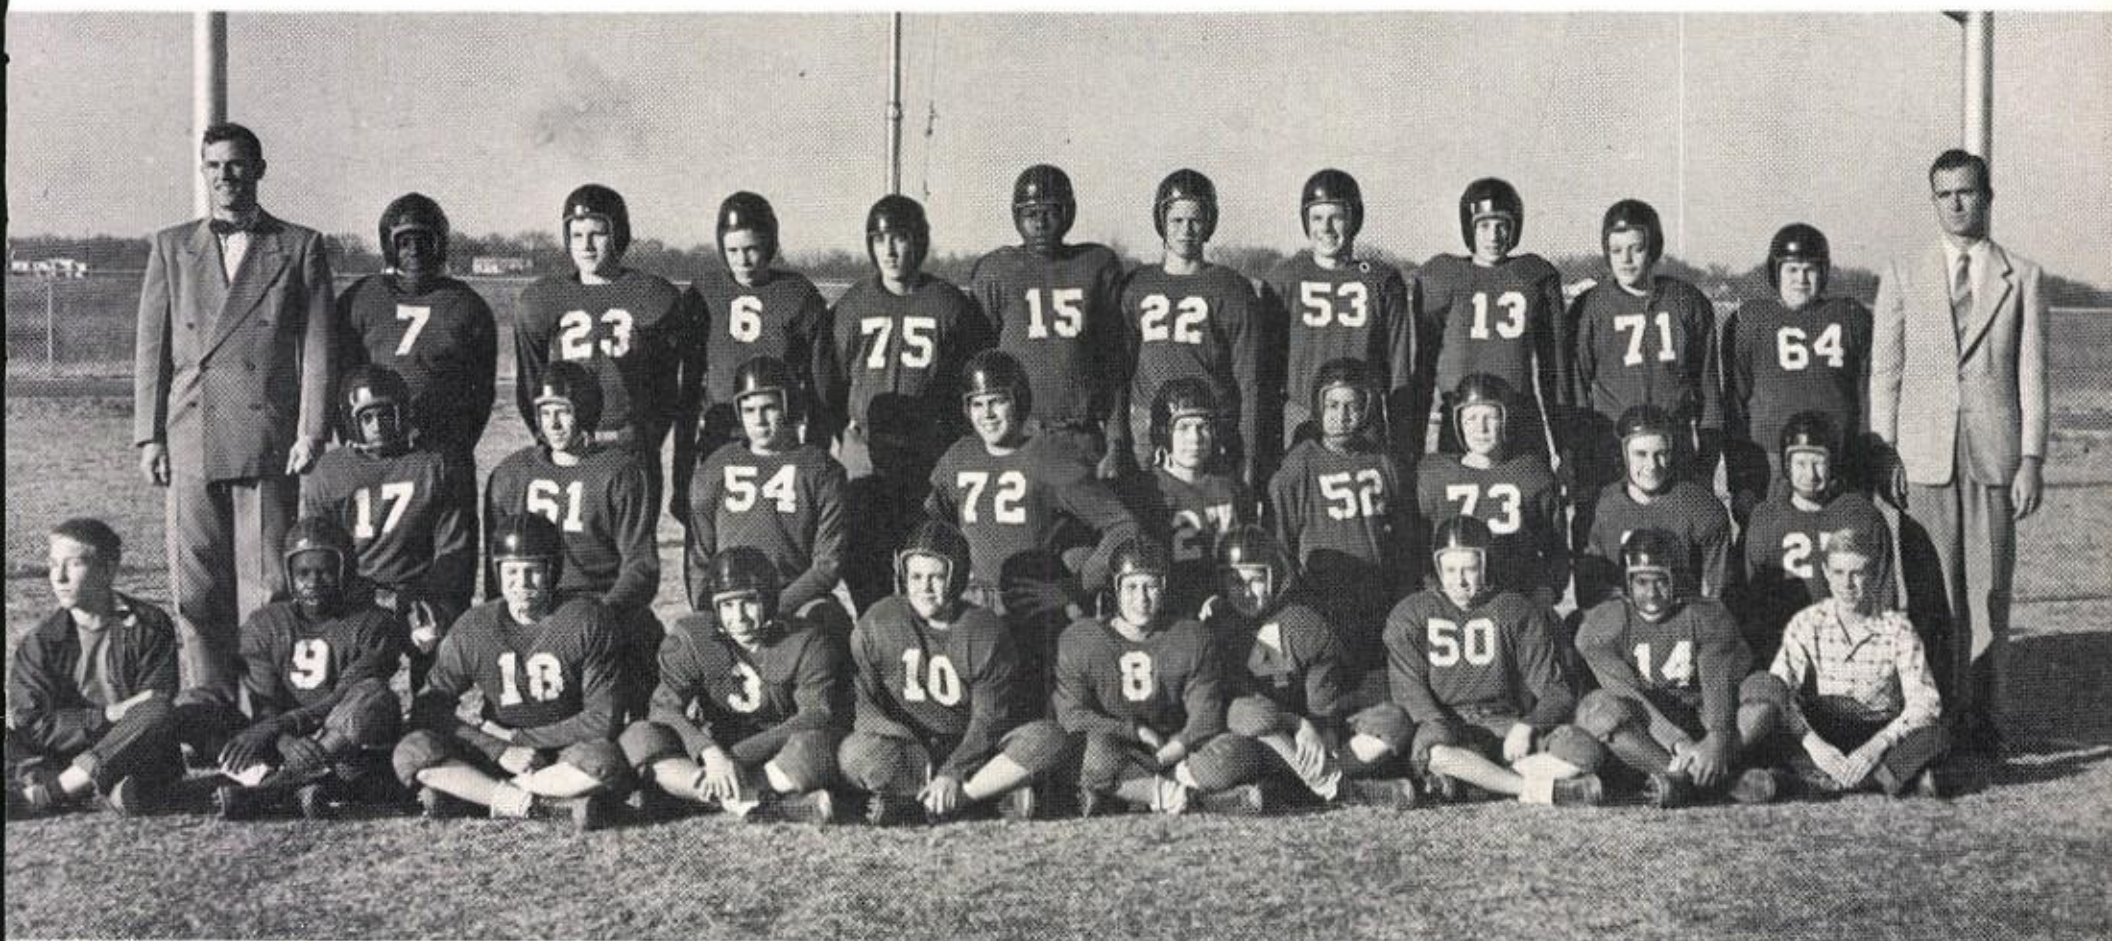

Joe Held, Scottie halfback made the Northeast All-Star first team and second team All-State.

Ed Delk made the Northeast All-Star second team and third team All-State.

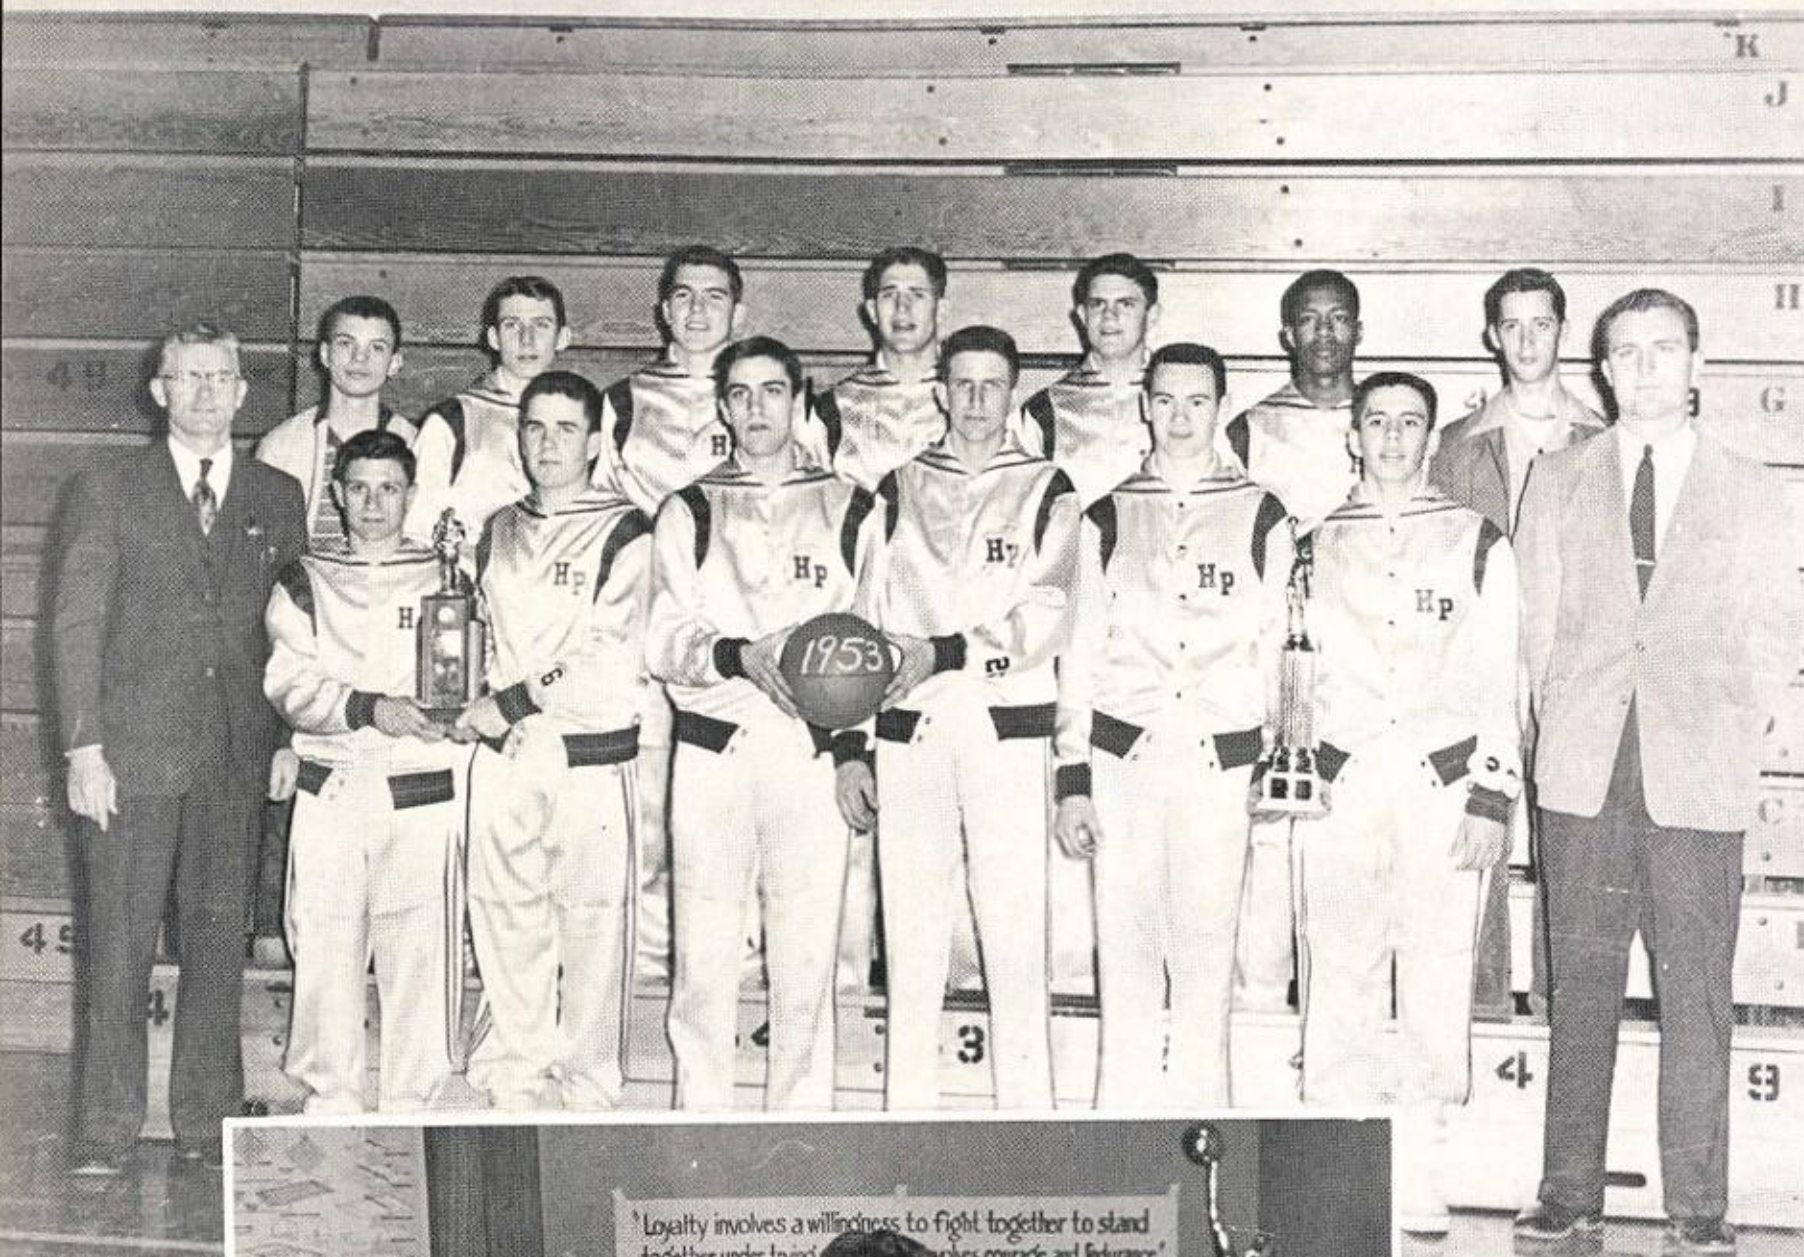

Next year Highland Park will enter the North East Kansas Loop with Lawrence, Shawnee Mission, Atchison, Ottawa, Argentine, and Leavenworth.

SCOTTIES ENJOY GREAT SEASON

After a tremendous football season, Highland Park optimistically looked forward to the roundball sport to arrive. Coach Sid Smith had four returning lettermen to mould his charges around. Four seniors: Ed Delk, Tom Davidson, Dick Maze, and Bob Gies, were last year's "H" winners to return to the hardwoods. This year's schedule was the hardest in Highland Park history as the Scotties entered their first

year as an AA school.

With only two weeks of practice under their belts the Scots opened the season at Atchison. The Redmen, hitting an amazing 50 per cent of their shots, downed a cautious Scottie five 60-53. Delk led the Highland Park cause with 21 points.

(as they came to be known), for the opener at home found Highland Park, led by Delk's 29 points, downing Manhattan 61-50. Next on the schedule were two old Jayhawk rivals, Haskell and Hayden. Both went down to the green and red by decisive margins.

The return match with Atchison was one of the roughest games ever played in the new Scottie gym. Atchison, with 27 fouls, and Delk with 25 points, were too much and Highland Park avenged the earlier loss to Atchison by winning 65-40. In the last game before Christmas, Highland Park played host to Washington of Bethel. The tall visitors were baffled by the Scottie change of sides and bit the dust 55-35.

SMITHMEN CAPTURE CHRISTMAS TOURNEY TITLE

Opening the second annual Highland Park Invitational against underdog Seaman, the Scots romped past 55-40. The following night the big-hearted Scots pulled away from a 45-all tie in the final 1:45 to down the rugged Lawrence Lions 55-45. Dick Maze led the last minute surge with six quick points. Meanwhile, the Trojans were ripping Hayden and Atchison to set a thrilling climax to the tournament with the two big city schools meeting for the first time in history. The Scottie gym was packed as

There must be a ball somewhere! Ed Delk holds his own against the Hayden Wildcats.

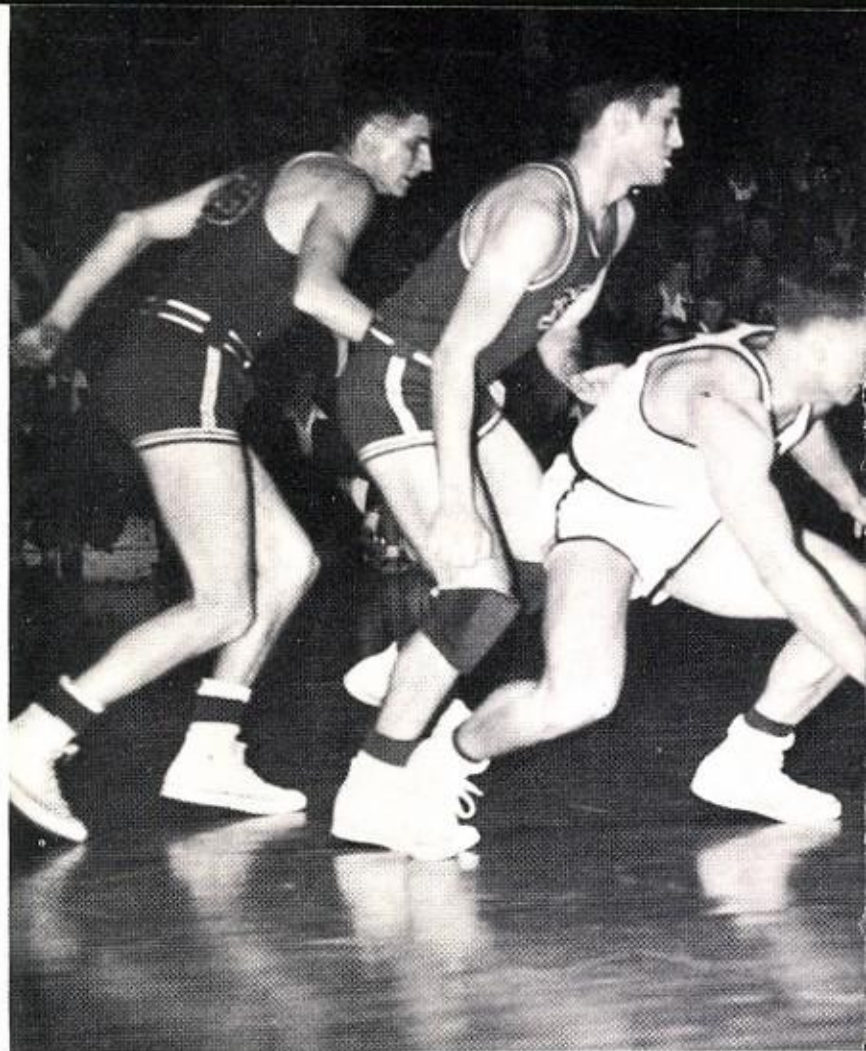

Caught in the act! Ralph Whitney goes high in an attempt to block a Lawrence lay-up in the Christmas tourney. Tom Davidson and Gene Fritz follow up the play.

2,000 fans jammed in to see Topeka take a 24-22 halftime lead. But the scrappy "never say die" Scots, after trailing for nearly three quarters, fought to gain a 45-41 lead going into the final stanza. After taking the lead, which was never lost, the Smithmen went on to win in a 55-50 thriller. A well rounded scoring attack and a tight defense dealt Topeka their first loss of the season.

Popping with over-confidence the Highlanders were soon cooled off by underdog Ottawa in a 56-43 fashion. After the loss dealt by the Cyclones of Ottawa, the Scotties started a new winning streak by blasting Hayden, Manhattan, Wamego, and Seaman twice before being upset by the pesky Haskell Indians 45-38. After this brief setback the Scotties walloped Wamego 69-58 on the Red Raider home court.

The revenge-minded Topeka Trojans were next on the schedule. Once again the powerful Trojans rolled up a big lead which this time the Scots were not able to overcome. Leading by ten at the half the Trojans found the Scotties coming back fast and the cross town rivals barely eaked out a 60-58 win.

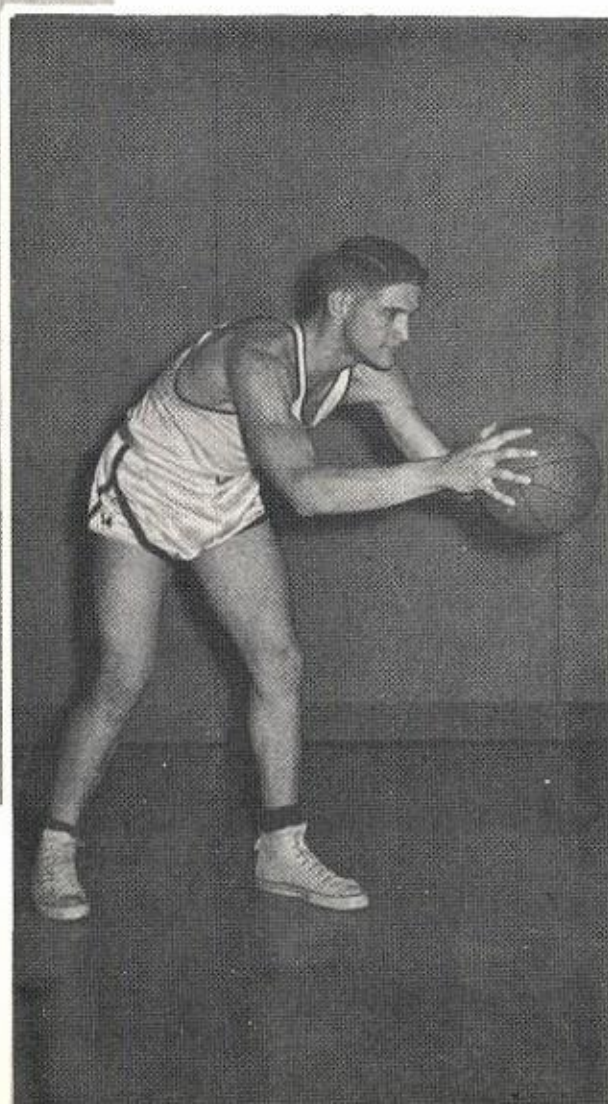

The Scotties closed out the home season by avenging an earlier Ottawa loss by ripping the Cyclones 81-70 as All-State Ed Delk poured in 35 points.

The Highlanders closed the regular scheduled season by taking it on the chin from Marysville and Topeka. The Scots suffered tremendously when center Delk fouled out with five minutes left and the Scotties leading 53-50. Thus the Trojans went on to win 64-59.

SCOTTIES LOSE TO STATE RUNNER-UPS

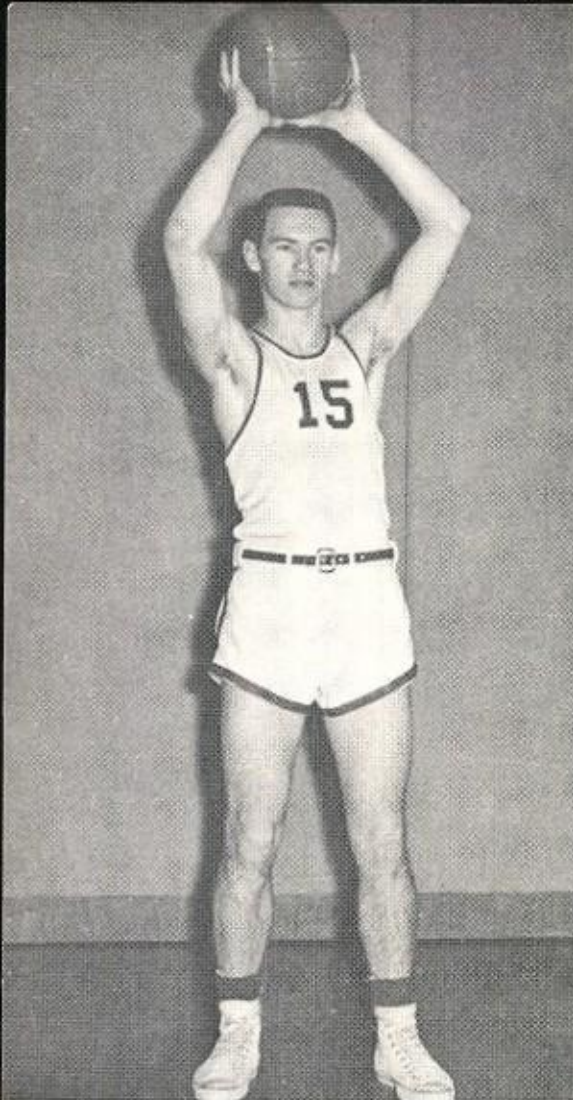

Next on the basketball agenda was the Regional Tournament at Topeka High School. The winner going to the State at Manhattan. The pairings found another Topeka-Highland Park meeting. The Smithmen entered the game with high confidence. Once again with the hardware at stake the Scotties ripped

the Trojans 68-58 to prove Topeka just couldn't dump the Parkers when the chips were down. Sub Huston Pulford led the five pronged attack with 17 points. In the other semi-final game the powerful Bulldogs from Wyandotte murdered Atchison 88-65.

School spirit ran high as Highland Park found itself with a chance to go to State as an AA school this year. In the game, the Scottie defense and accurate shooting baffled the Wyandotte cagers until the Scotties' only four lettermen left the game via the five foul route. Leading by five points at the first quarter, two at the half, and trailing 43-42 at the end of three periods the reserves weren't able to handle the experienced Wyandotte starters as Highland lost 72-58. In this, their last game the Scotties were outmanned, but not outfought. Thus the Scotties closed out with an impressive record of 16 wins and 7 setbacks. Wyandotte went on to take second in the State Tournament behind the star-studded Shawnee Mission Indians.

Cross Country

Letterman Ralph Whitney exhibits the form that placed second in the State meet held in Lawrence.

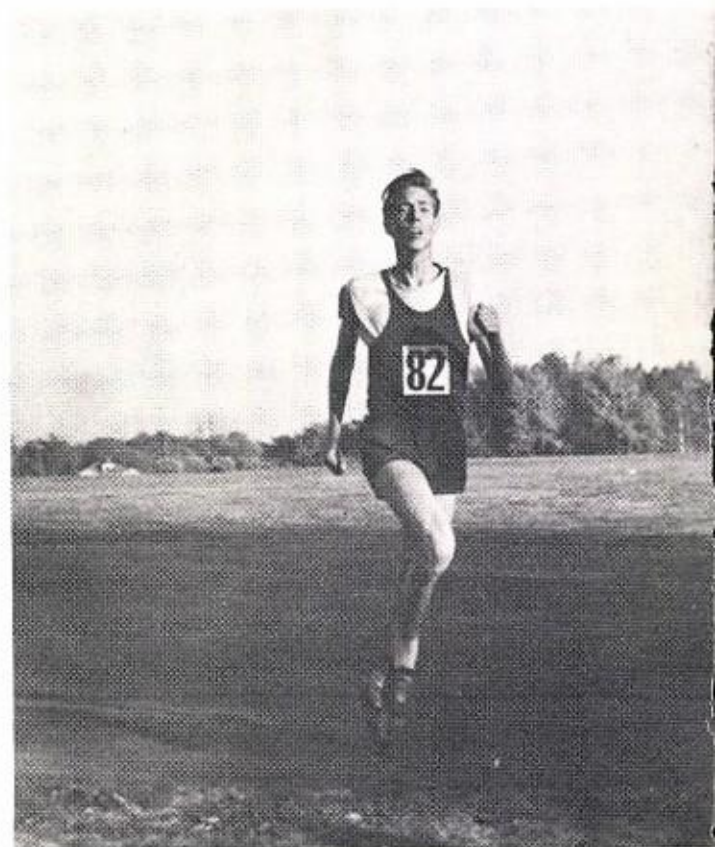

Last fall ten Scottie thinclads reported to Coach Claude Reynolds for Cross Country. All Highland Park home meets were held at the Shawnee Country Club. The brightest spot in the season was the performance of Senior Ralph Whitney, who finished first in five meets and second in two, including the state. Ralph's best time over the two mile course was 9:51:5, which he did at Shawnee Mission.

During the season meets were held at Topeka, Emporia, Shawnee Mission, Haskell, and the State in Lawrence.

In the State, Ridgeway of Topeka High finished first with 9:49 to the 9:55 of Ralph Whitney.

Thinclads place fourth in State

Eight lettermen along with 40 other hopefuls answered the Scottie track call for the 1952 and 1953 season.

Entering Class AA and the N.E.K. League for the first time, the Scottie thinclads placed in most of the relays and wound up fourth place in the league scoring 22½ points. New school records were set in the medley and 880 yard relays. Bruce Oyler lowered the school mark in the mile run and Ralph Whitney tied the 880 yard run record.

Seven boys qualified for the State Meet at Manhattan: Joe Held, Rock Bergen in the shot, Julian Stinson in the pole vault, and the medley relay team composed of Jim Gates, George Whitney, Ray Wyatt and Ralph Whitney who placed sixth in the State.

DOWN THE FAIRWAY

This year's golf team had their ups and downs, but all in all it was a successful year for Coach Sailors' golfers. Playing many of their matches in adverse weather conditions the Highland golfers finished first in four triangulars, second in three and third in one. The Scottie swatters won the first trophy ever won by a Highland Park golf team by having low ball in the four-man division of the Atchison Invitational. In the NEK League meet the four-man team was second to a hot Shawnee Mission crew. The Salina invitational found the team finishing

eight out of the thirteen schools entered.

In the big State meet at Kansas City, the four-man team was in fifth place after the end of the first round as Charles Streeter fired a 72, Ray a 75, Bill Oliver a 77, and Clyde Streeter a 78. But the second day the rains came and the scores soared. Clyde Streeter had a 76 in the rain to pace the final round for the Scots. The four-man team finished 7th, ahead of Topeka and 17 other schools.

The best round of the season was a two-under-par 72 shot by Clyde Streeter at Emporia.

Over the nets

The Tennis team, coached by Mr. Hines, soared to the top as the Scot netmen won the two tournaments they played in. No. 1 man, Tom Davidson, never had to go more than two sets throughout the season as he won the State singles championship. Playing the best prep tennis squads in the state, the Scots won 6 duals, dropped 5 and tied 2.

Winning the 12 team Wyandotte invitational was a big highlight on the star-studded Scottie schedule. Tom Davidson captured the singles crown while the doubles team of Keith Andler and Houston Pulford had to go 16-14 before winning in the semi-finals

over Topeka.

Competing for the first time in the NEK league tennis meet, the Scot netmen made a clean sweep of the hardware in both the singles and doubles. Next came the Regional at Shawnee Mission and Tom Davidson earned the right to go to the State meet in Wichita. At State, Tom downed Norman Brooks of Junction City, 6-1, 6-2; Ronnie Houdek of Arkansas City 6-2, 6-0; and in the finals he defeated Stanley Glendinning of Wichita North 7-5, 6-0.

Davidson wins Regional and State

Front row: J. Kramer, B. Pulford, L. Hunter, B. Gates, H. Pulford. Second row: Coach Walter Hines, B. Pulford, D. Maze, K. Andler, T. Davidson.

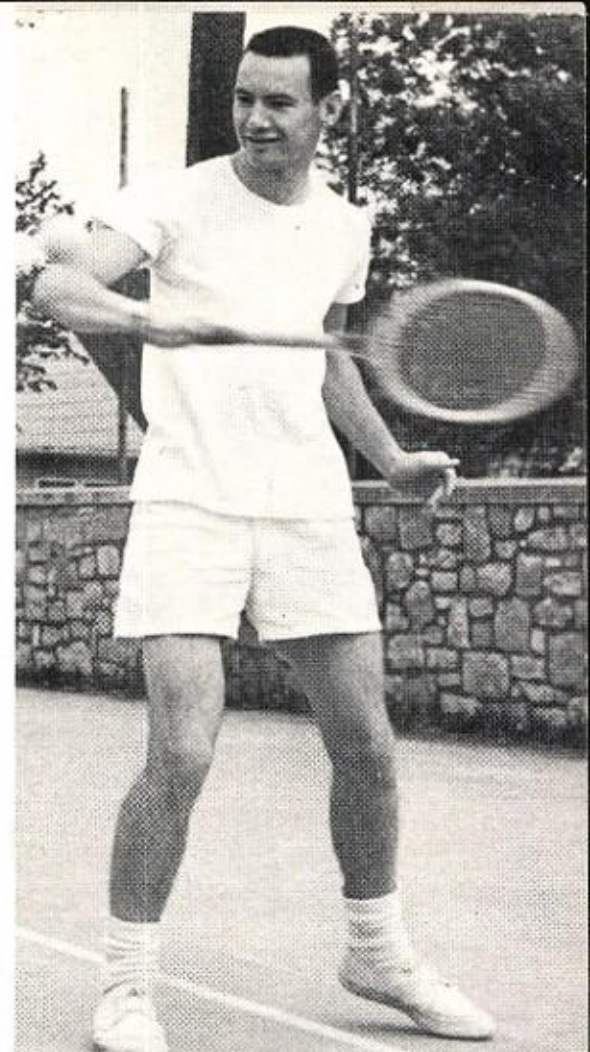

TOM DAVIDSON was the greatest tennis player in the history of the school. He was state runner-up in his sophomore and junior years and this year he went all the way to the top without losing a set.

KEITH ANDLER, a junior, was the No. 3 man and on the No. 1 doubles team. Keith and doubles partner Huston Pulford took 2nd in the Wyandotte Tourney.

DICK MAZE was the No. 2 man for the Scots this year. Dick went to the semi-finals in the big Wyandotte tourney before being ousted by team mate Davidson.

HUSTON PULFORD was the No. 4 man and Andler's doubles partner. Pulford and Andler were seeded No. 2 in the regional but were upset by Topeka.

BILL PULFORD was the No. 5 man for the Scot netmen this year and looks like a good bet to be No. 2 man next season.

Bible Club studies Scriptures

The purpose of the Highland Park High School Bible Club is to provide an atmosphere of Christian fellowship in which a study of the Bible may be undertaken. The Club got its start in the fall of 1951.

A number of outside speakers from various church groups in and around Topeka spoke in the Friday meetings. Special musical treats were provided by some of the local churches also.

Front row, left to right: Mr. Riley, Florence De Mosie, Dorothy Brown, Mildred Dunn, Mary Hodyshell, Phyllis Cook, Chrystelle Reedy. *Second row:* Gary McKee, Wanda Dullin, Bonnie Clark, Georgia Clark, Cleta Flanagan, Lois Epperson, Kaye Day, Delores Berends, Karl Jesse. *Third row:* Wanda Schone, Flecia Startup, Martha Langley, Judy Halderman, Florence Oyler, Jackie Ellis, Anita Simpson, Joyce Lanston, Mary McLaughlin. *Fourth row:* Catherine Emery, James Theilman, Marlene Pile, Delores Cowdrey, Deggesita Taylor, Marilyn Warren, Shirley Lee Harrold, Ruth Bruhns, Charles McEndree. *Fifth row:* Dixie Wendland, James Talman, James Porter, Duane Roudybush, Bruce Oyler, Dixie Wendler, Ruth Emery, Beverly Barkley, Clarence Simpson, Robert Morris.

One of the extra highlights of this year's club activities included an evening wiener roast in company with other Bible Clubs in the Topeka area. At right, several Scottie Bible Clubbers brave the hot coals to fix their wieners.

Library Club promotes good reading

The membership of the Library Club includes all of the Library Science students and anyone else who is interested in books. The club studied authors and books in addition to making book selections for the school library. Officers this year included: Fred Hubbard, President; and Art Chilson, Secretary and Treasurer. Mrs. Rohler is the sponsor.

Hi-Y Strives for well-rounded

The Hi-Y Fellowship is made up of over 9,000 clubs throughout the United States and Hawaii, who have joined together to achieve certain desirable ends that would not otherwise be possible. It is a part of the Young Men's Christian Association, and is under the care of its National Council.

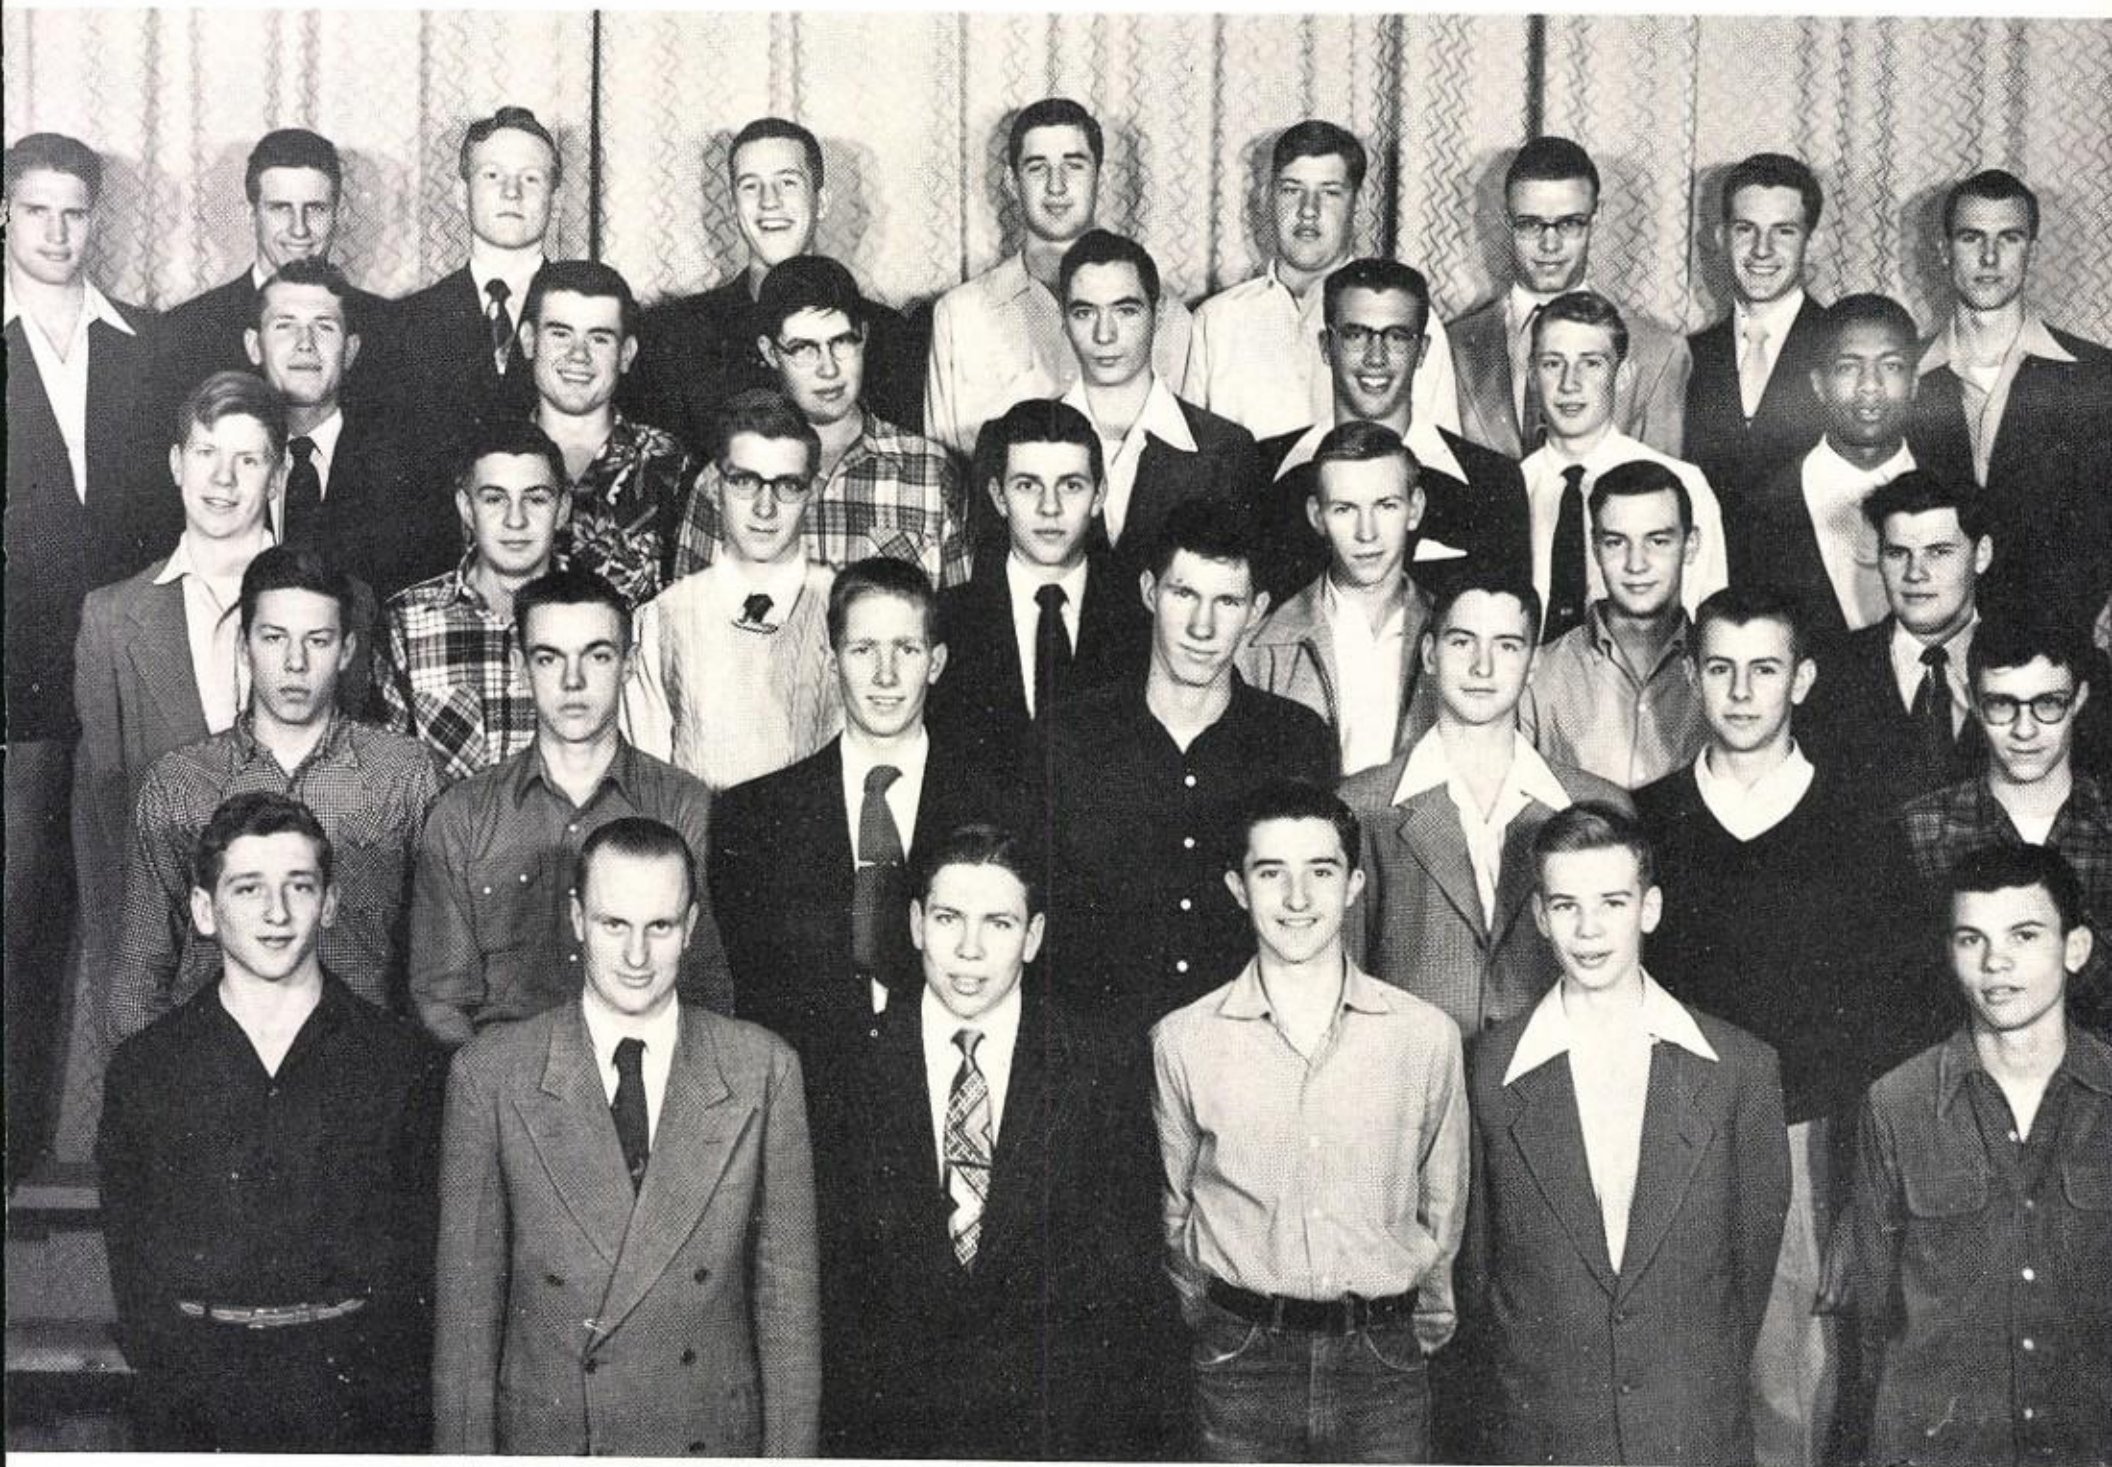

The member's personal responsibility is that he will participate in the program and service projects of the club. He will give his share of effort, time, and finances to advance the work of the committees and club as a whole. The ambition of each Hi-Y member should be to: "Live most and serve best."

Thespians thrill theatre throng

The Highland Park Thespian Troupe No. 953 was organized in 1949. The purpose of Thespians is to strive to advance and to establish standards of excellence in dramatic arts and to create an active interest in dramatics in high school boys and girls.

Outstanding Spotlight members who meet the high requirements are eligible for membership in Thespians. Points are earned by carrying major or minor roles in plays, working on stage sets, presenting readings or skits, directing publicity, attending professional performances, writing original scripts, and directing school productions.

To maintain membership in the Spotlight Club, each member must earn a total of fifteen points each semester. Points may be gained by participation in a school play, pantomime, reading, and other ways. The Club also has its own distinctive pin for each person who has attained 240 points. Those receiving pins this year were: Corrine Dawson and Glenn Diehl.

MUSIC

Band

Wherever High School Bands assemble, Highland Park is outstanding not only because of their musical ability, but also because of the unusual costumes worn by twirlers and color guard members. We have enjoyed many pleasant musical moments because of the efforts of Mr. Harvey and his band members.

Band members maintain good lip condition by playing at games.

Music Groups Present

The Music Department under the direction of Miss Nygren, presented Gilbert and Sullivan's operetta, *H.M.S. Pinafore*. The theme of the operetta was concerning the life of Her Majesty's Ship the Pinafore. Romantic inclinations were woven into the plot. One of the seamen had fallen in love with the Captain's daughter, but because of his low birth he was unable to marry her.

The role of the captain was taken by Duane Roudybush, Ralph and Josephine by Bob Gies and Wanda Wiseman, Little Buttercup by Bobbie Ann Pribble, and Sir Joseph Porter by Dick Mason. The Girls' and Boys' choruses added extreme interest to the program. Jim Christensen accompanied at the piano.

MEMORIES

Homecoming King and Queen

Homecoming ceremonies for the school year 1952-'53 were sponsored by the Pep Club under the direction of Mrs. Weller. At the half time the Scotch Lassies marched into the stadium with flashlights and formed an H and P. Following the Pep Club was the Band who formed a heart shaped formation.

Bob Gies led the crown bearers, Lynda McAtee and Larry McCammon, while Mr. Tietgen presented the crowns to King Jim Gates and Queen Winnifred Burgard. The King was attended by Tom Davidson and Eddie Delk while the Queen chose Sharon Hennessey and Jane McCammon. Following the ceremony was the Homecoming Dance in the school gym.

King and Queen of Sports

Reigning over the informal festivities of the Sports Dance were King Roger Toelkes and Dixie Hummer, Queen of Sports

At the right, Bob Gies and Dick Maze add support to King Roger, while Lyndra Drum and Shirley Starr attend Queen Dixie.

A typical Day

We might have had Biology first hour, and spent the entire period trying to find the same things Mr. Herrman saw in the microscope.

Or the attempts we made to tumble like the best in the class in Gym

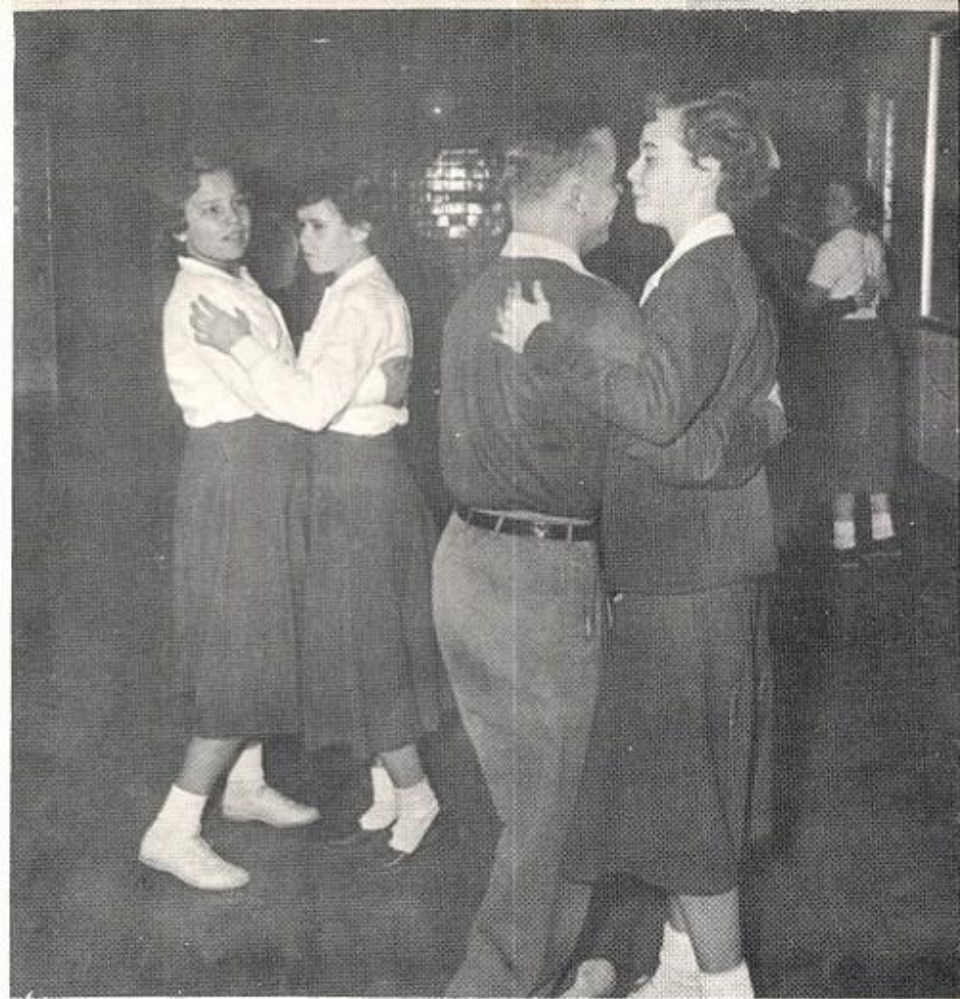

Then there were the classes in photography

Or maybe we helped plan the Yearbook

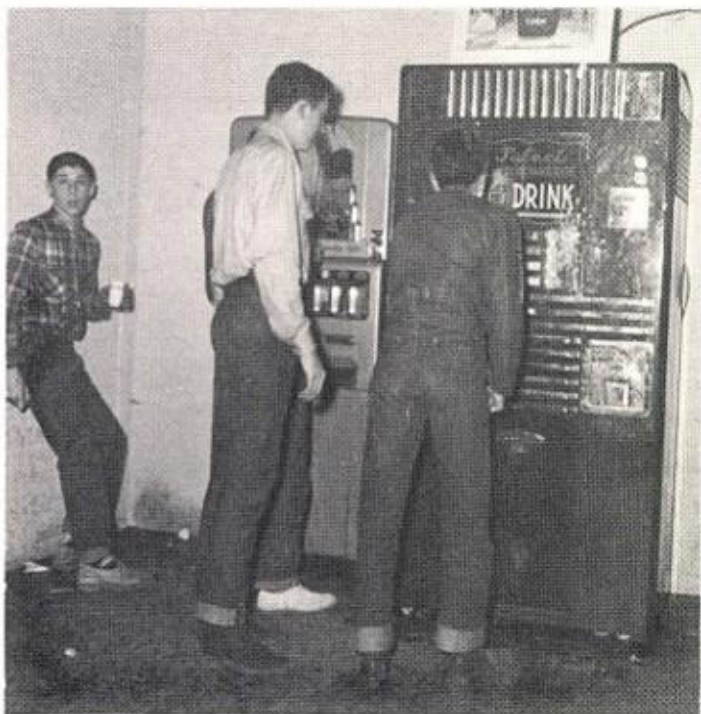

And, of course, the mad dash to get first place in the cafeteria line

And maybe time to dance after lunch

only a minute to get a candy bar, eat it, and rush off for the afternoon classes.

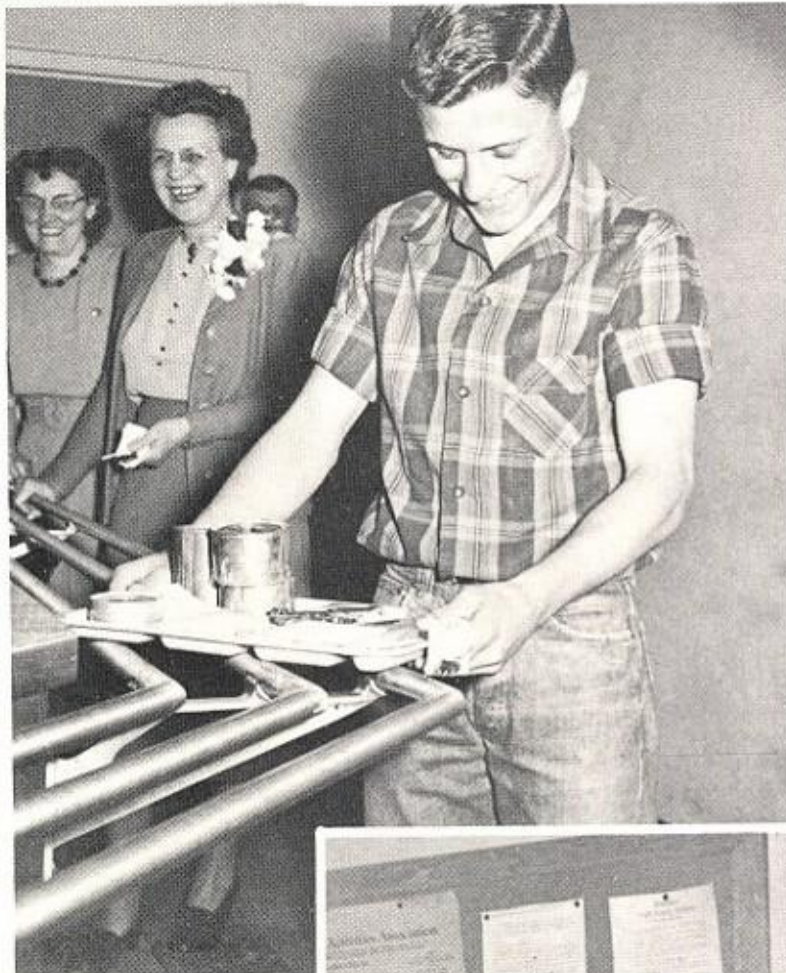

Then the final rush to get to the locker and off to the bus.

Other things to
remember...

The times we had at the dances,
even if we had to sit . . .

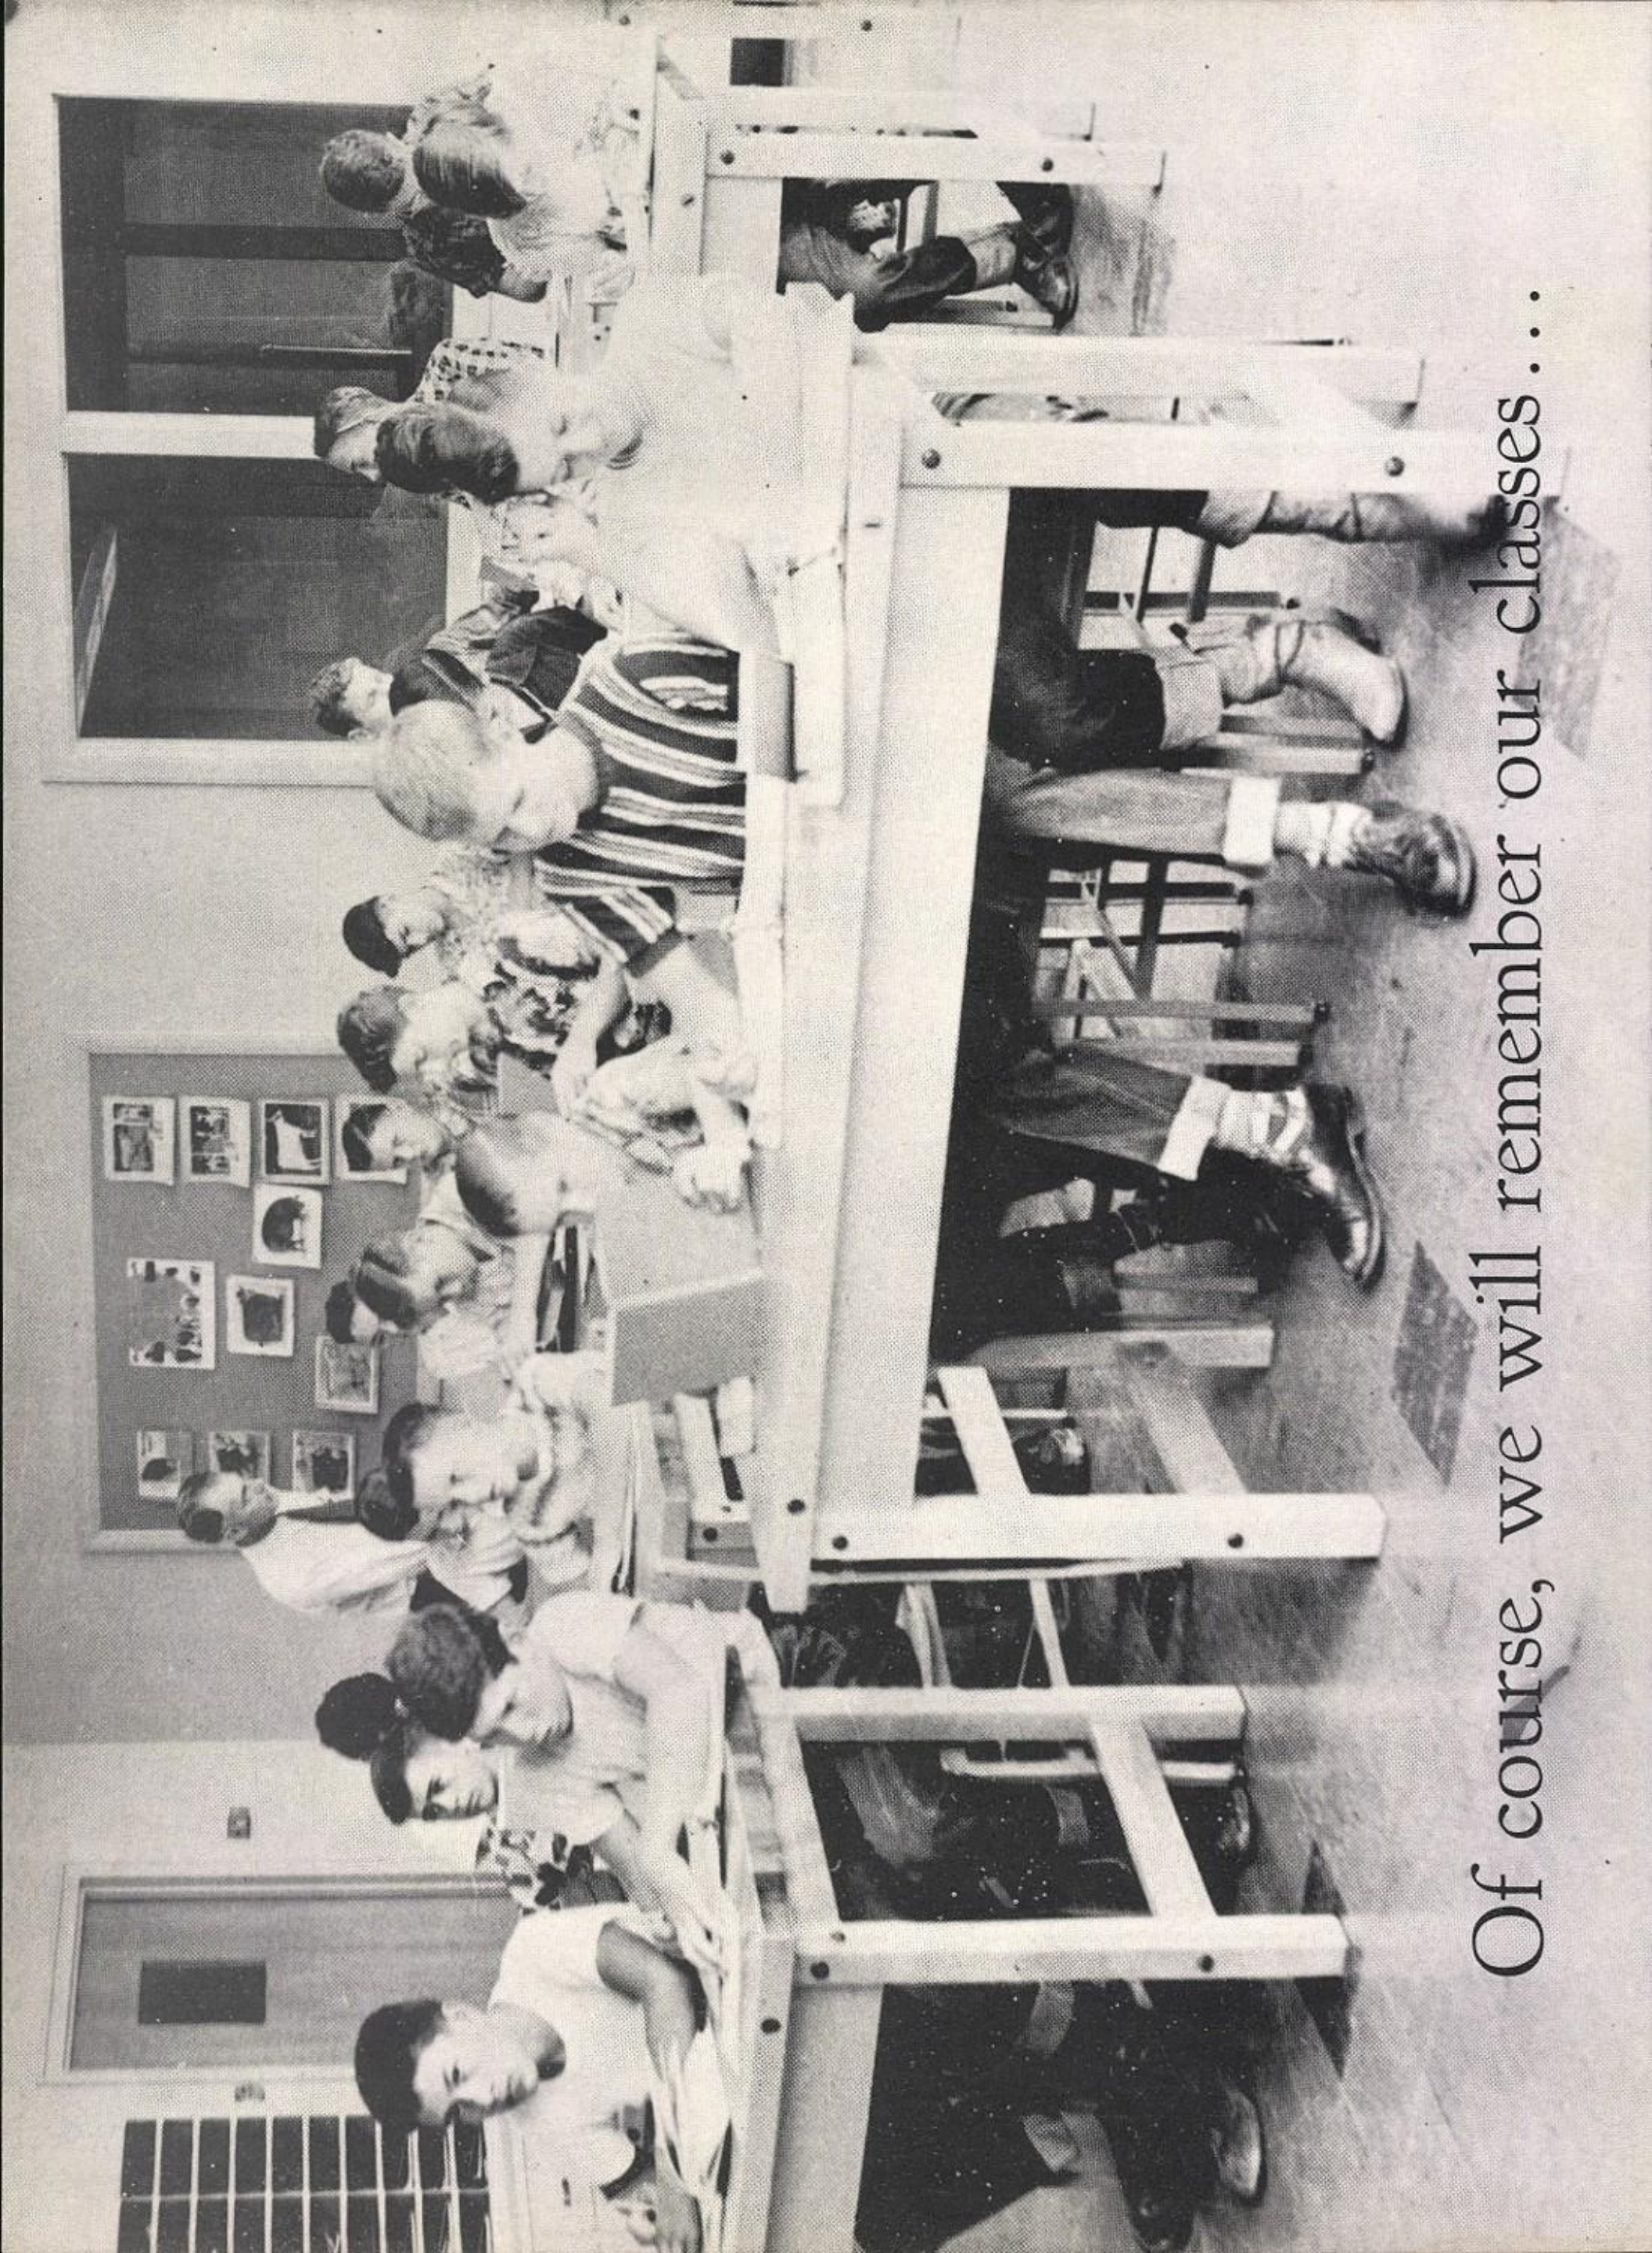

Or the time Gates got K-Rations
for lunch because he growled about the
food in the cafeteria . . .

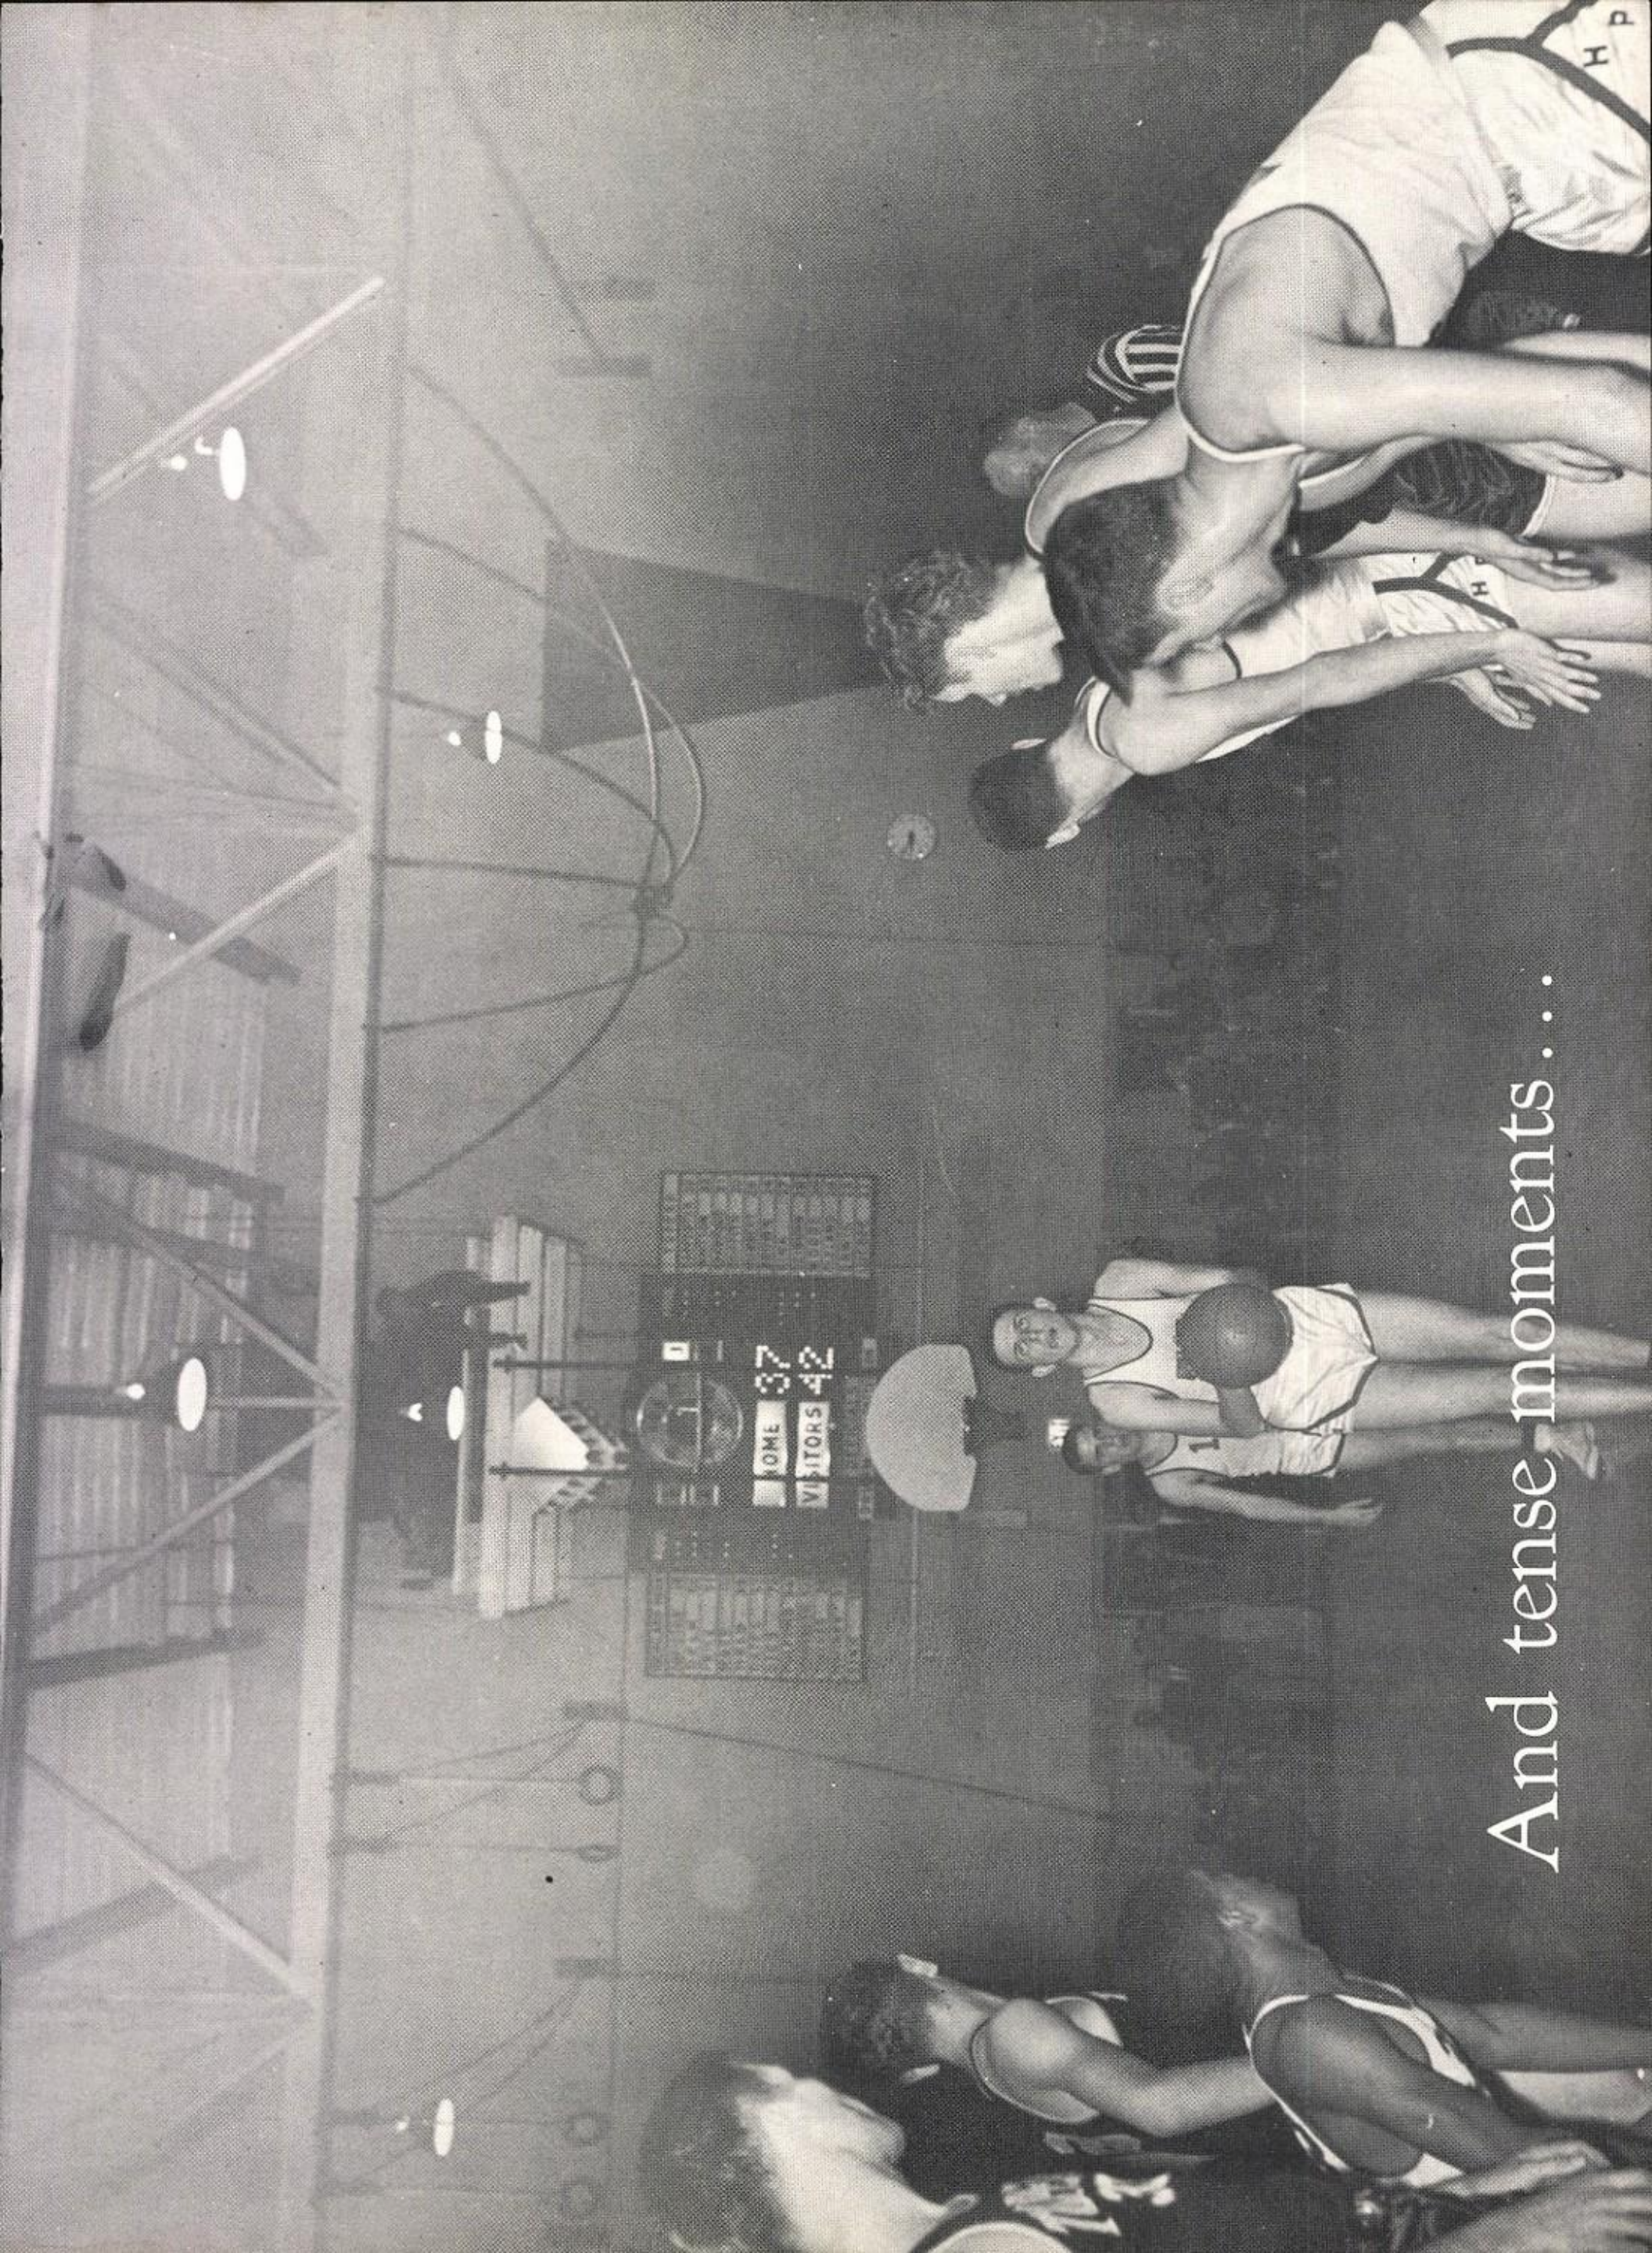

And our astonishment when we learned that
someone had broken into the school safe.

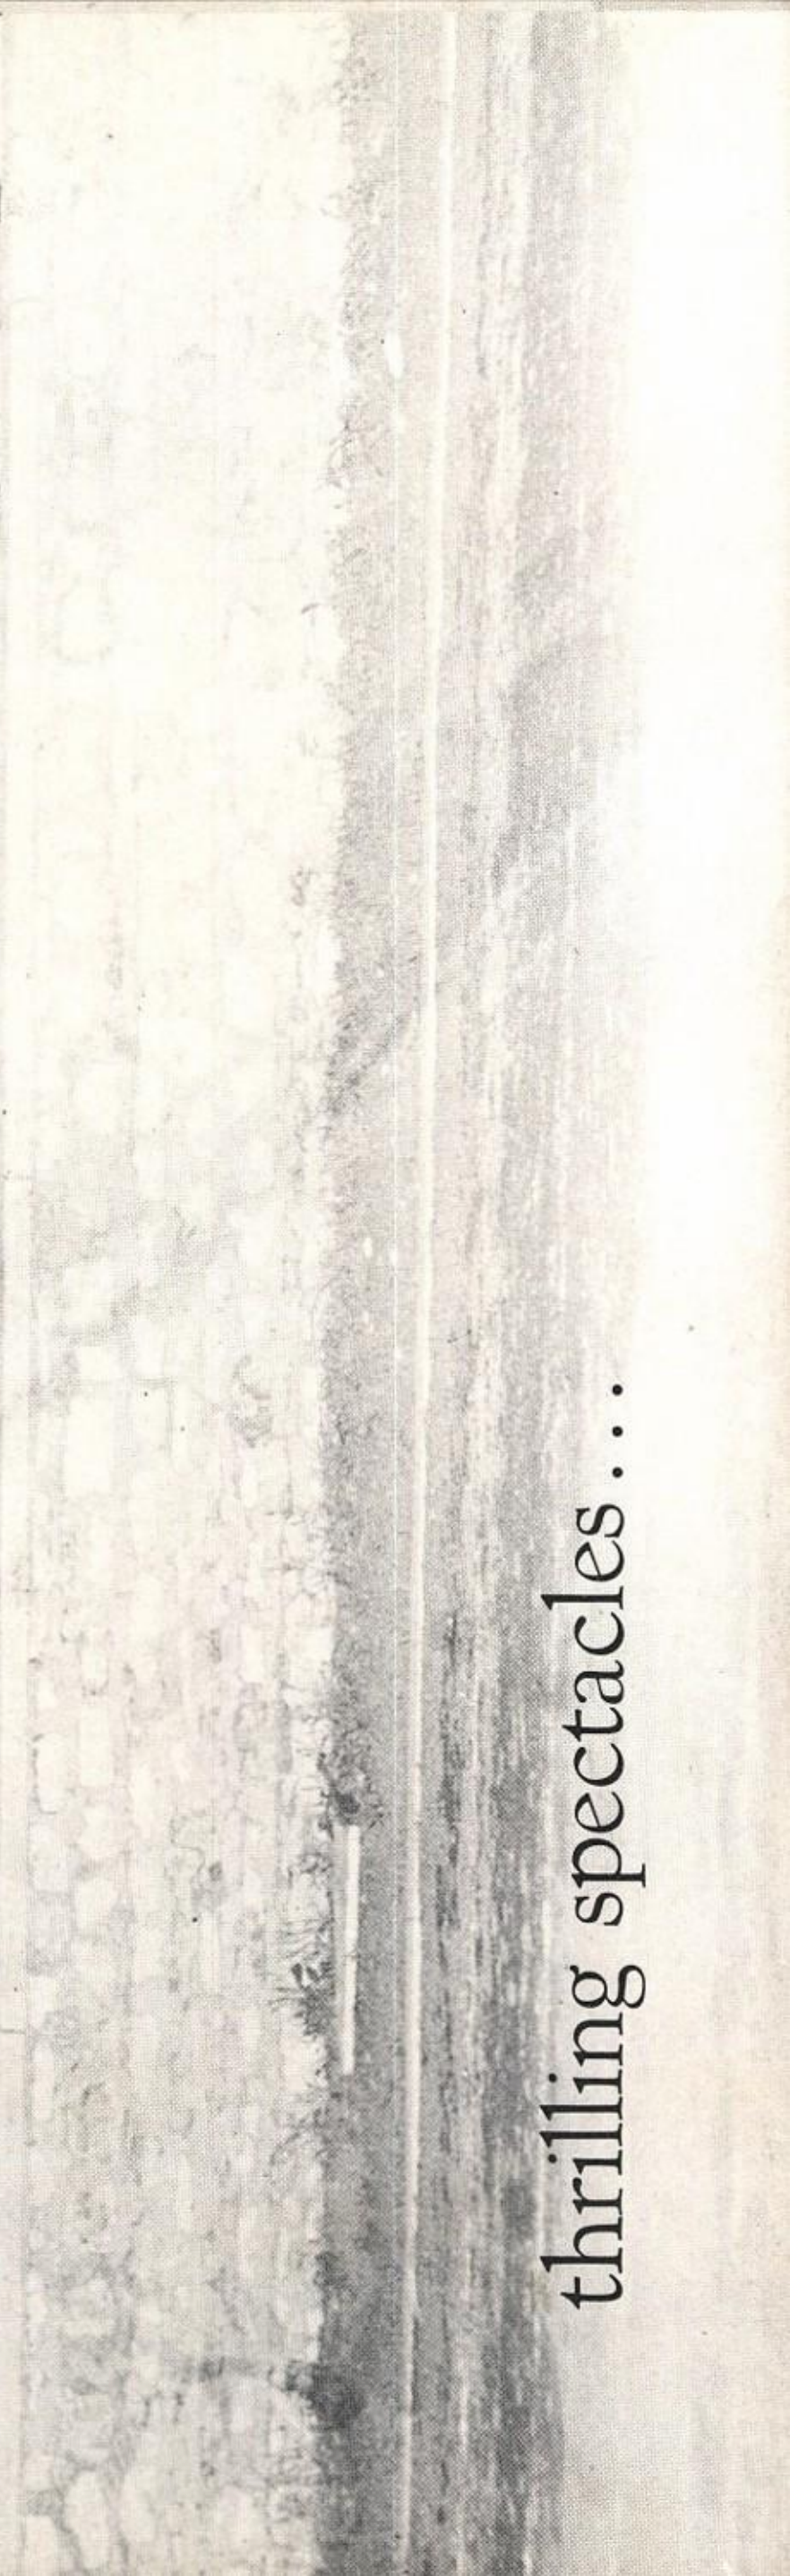

Of course, we will remember our classes...

And tense moments...

and Lunch periods...

thrilling spectacles...

Proud moments...

and lasting memories...

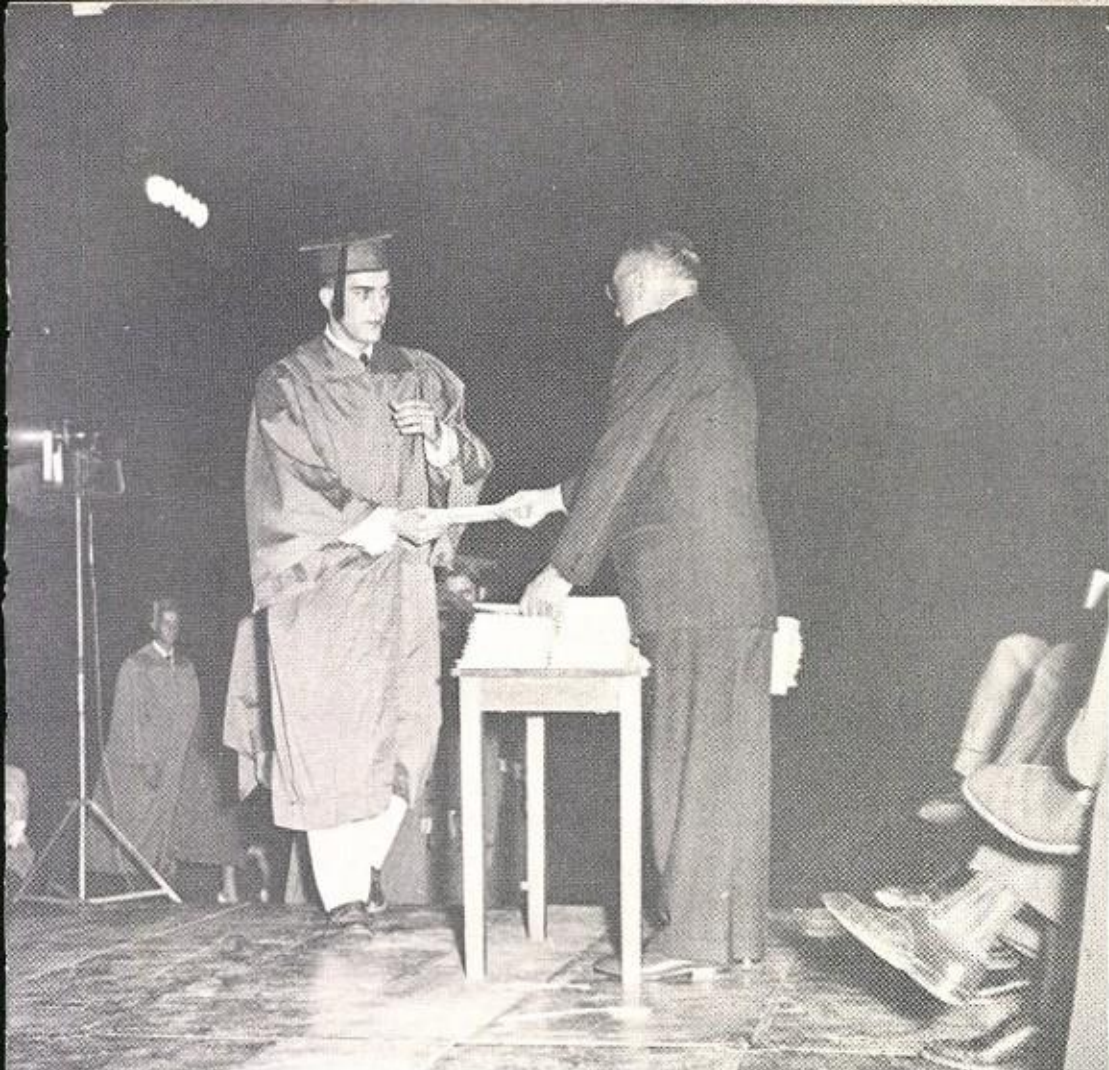

Mr. Hays assigns places in line for the graduates so that there will be dignity and decorum in the final exercises.

how hard we worked at it...

Mr. Hines clears up a few questions that Seniors have about how it is to be done.

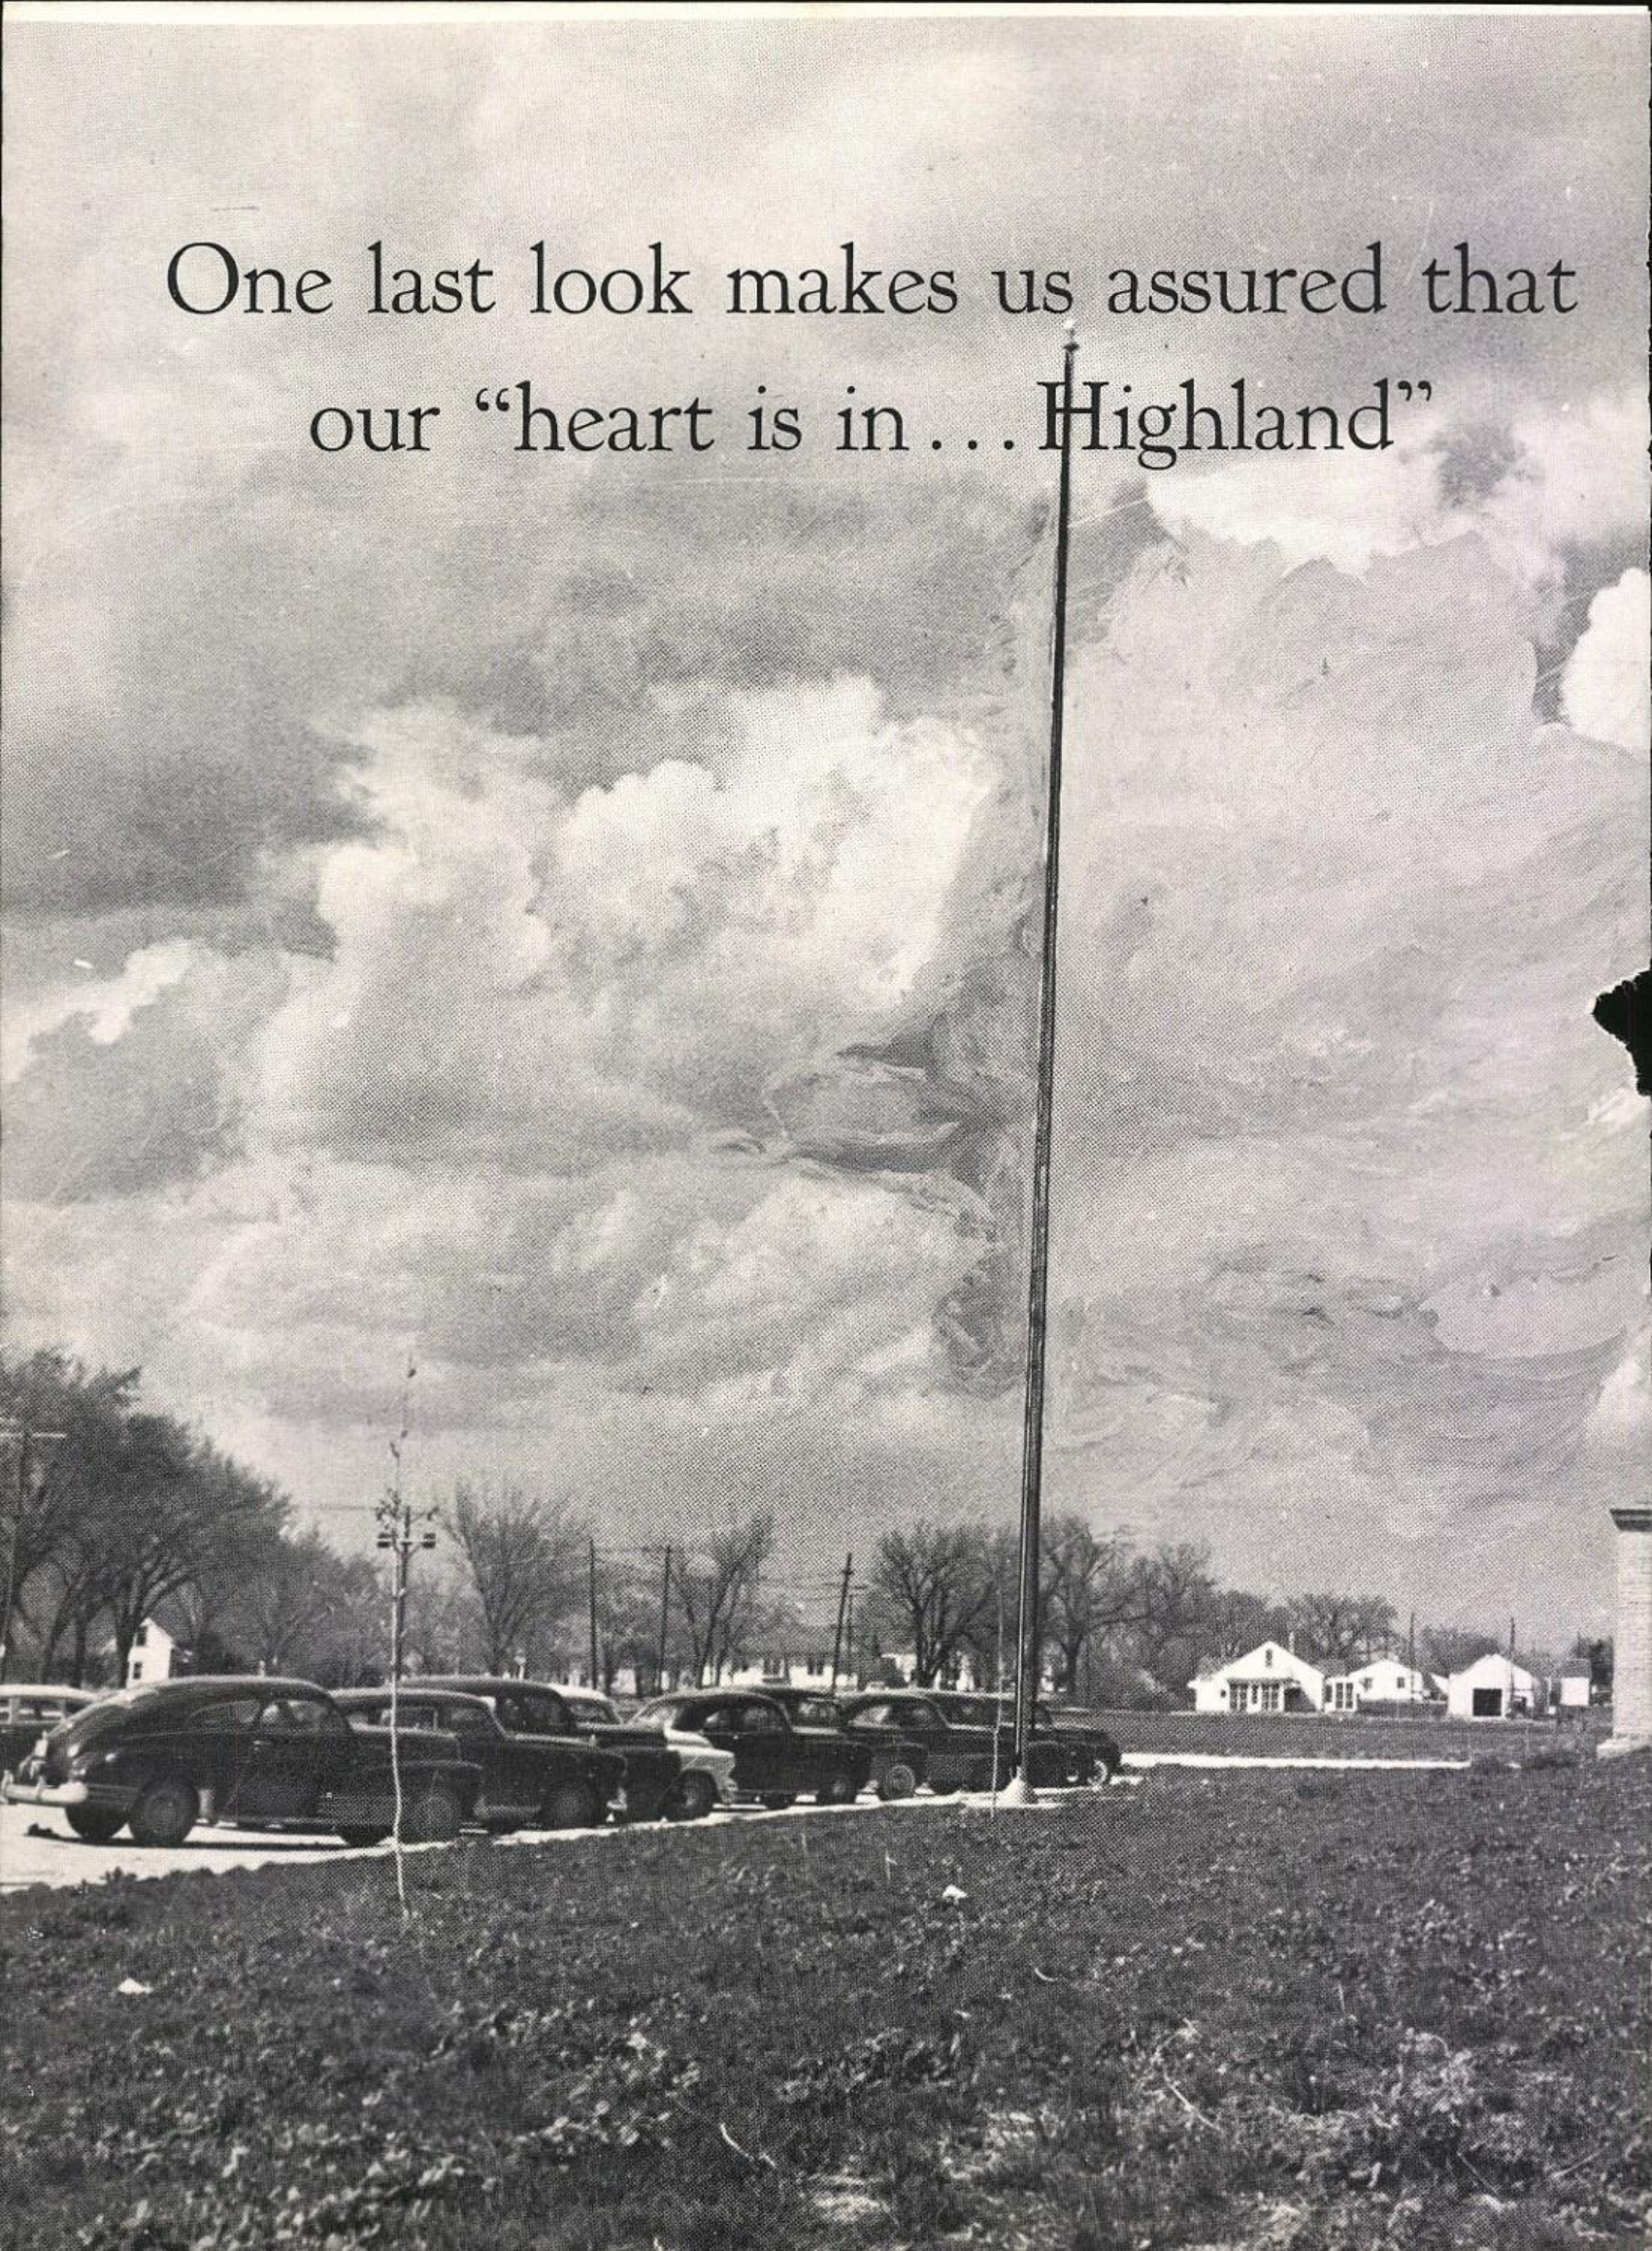

Bob Gies, Student Body President, receives his diploma from his father, Mr. J. J. Gies, Board of Education member, and father of three Highland Park Graduates.

double exposure...

Always seen together are Ronnie Clough and Don Puckett who share the burden of cleaning their lockers for the last time.

One last look makes us assured that
our "heart is in... Highland"
